REPORT OF THE BOARD OF SELECTMEN

Fiscal Year – July 1, 2006 through June 30, 2007

The Board of Selectmen held 18 regular meetings and 18 special selectmen's meetings during fiscal 2006-2007. During these meetings they filled a police officer position with Officer Christopher M. Polselli; re-appointed the Fire Station #1 Improvement Project Committee and the Police Station Improvement Project Committee; an Earth Removal Board was appointed; a McCracken Road Task Force was appointed; an Assistant Town Accountant, Jennifer Barrett was hired; and we honored Eagle Scouts.

As you can see, during the year the Board of Selectmen had numerous opportunities to recognize organizations, local businesses, town boards, committees, commissions and citizens for their many efforts in assisting the Town in providing services for the community.

The Annual Town Election was held on Tuesday, April 24, 2007. Selectmen Joseph F. Coggans, Jr., and Michael O. Moore, were re-elected to three year terms.

The Annual Town Meeting was held on Tuesday, May 1, 2007.

Community events that the Board of Selectmen were pleased to participate in were: the Annual Little League Parade, Annual Lions Independence Day Parade, Annual Library Picnic sponsored by local businesses, Eagle Scout Award Ceremonies, Student Government Day, and the "Celebrity Readers" at the Library.

In closing, we wish to express our appreciation for the cooperation and assistance given to us by the various departments within town government. We particularly wish to thank the unpaid and often unrecognized appointed officials who contribute to the mechanics of government and help make Millbury a better community.

Respectfully submitted,

E. Bernard Plante, Chairman Joseph F. Coggans, Jr., V. Chairman Kenneth I. Schold, Clerk Michael O. Moore Francis B. King

REPORT OF THE TOWN CLERK

To the Honorable Citizens of Millbury, Board of Selectmen, and Town Manager, I hereby submit my Annual Town Report for Fiscal Year 2007.

In FY 07 we had three (3) Elections, the State Primary on September 19, 2006, the State Election on November 7, 2006 and the Annual Town Election on April 24, 2006. We had two (2) Town Meetings, a Special Town Meeting on September 12, 2006 and the Annual Town Meeting on May 1, 2007. Election results are posted within this report. The Clerk's report also includes, Fees Collected, Vital Statistics, the In Memoriam Page, Statistics, Appointments, and Town Officers.

I wish to thank the members of the Board of Registrars, Everett Grahn, Jerilyn Stead, and Antone Ponte. Mr. Ponte resigned in 2006 having served almost 10 years on the Board. He will truly be missed. Mr. Robert Brainard was appointed by the Board of Selectmen to fill the vacancy. We look forward to working with Bob.

A sincere thank you to Judy Brink and Jayne Davolio for their assistance throughout the year. Their work performance and dedication is very much appreciated. Our office wants to thank Lorraine Jo Wilczynski and Patricia Macjewski volunteers of the Senior Program for their assistance with the Annual Town Census. Office of the Town Clerk is open Monday thru Friday, 8:30 A.M. to 4:30 P.M. On Tuesdays the office stays open until 7:00 P.M..

REPORT OF THE FINANCE DIRECTOR

To the honorable Board of Selectmen and to the Citizens of the Town of Millbury:

The office of Financial Management is responsible for the coordination of all financial activities of the Town, ensuring that the appropriate financial and auditing controls are maintained. The following reports represent the activities of Fiscal Year 2007.

- Revenues and Expenditures of the General Fund & Sewer Enterprise Fund
- Capital Projects Funds, Special Revenue Funds and Trust Funds Balances
- Consolidated Balance Sheet
- Debt Service Schedule

Respectfully submitted,

Mary Ann Harris Finance Director

REPORT OF THE FINANCE COMMITTEE

To the Honorable Board of Selectmen and the Citizens of the Town of Millbury.

I hereby submit the Annual Report of the Finance Committee for the fiscal year ending June 30, 2007.

The Finance Committee is charged with the review of the town budget, warrant articles and other financial matters as they present themselves.

The recommendations we make to the voters at the Town Meetings are the product of many hours of discussion and deliberation with town officials and department heads. We carefully review requests for expenditures versus projected income for the upcoming fiscal year in order that we may give each budget and article due consideration and recommend the most cost effective scenario to you, the citizens of Millbury. The Finance Committee also oversees the Reserve Fund. This fund is used as a supplement to approved budgets in the event of unforeseen, unbudgeted and unavoidable expenditures.

The Finance Committee met many times during the past fiscal year. The members were as follows:

Brian Turbitt, Chairman
Edmond Hachey, Vice Chairman **
Steve Hebert, Clerk
Ron Floser
Mike O'Connor *
Roger Raymond

Sandra Gaspie, Secretary

Doggoodfylly gylamittod

- * resigned
- ** deceased

The salaries "all others" paid for Fiscal Year 2007 for the Finance Committee were: Secretarial \$1,300.00

The members of the Finance Committee would like to thank the Town Manager and the Superintendent of Schools, whose cooperation was greatly appreciated.

Respectiumy submitted,	
Brian Turbitt, Chairman	
Chairman 3/2008	

FINANCE COMMITTEE FY 2007ATTENDANCE

In Fiscal 2007 there were 27 regular meetings

REPORT OF THE CONSERVATION COMMISSION

To the Honorable Selectmen ad the Citizens of Millbury:

We hereby submit the report of the Conservation Commission for the fiscal year 2006-2007.

The Commission held 20 meetings and the attendance was as follows:

	Present	Absent
Donald Flynn, Chairman	17	3
Margaret Lavellee, Vice-Chair	6	14
Anthony Cameron	20	
Ron Stead	19	1
David Palleiko	13	2

The following is a list of activities done by this Conservation Commission:

Notice of Intent	29
Request for Determination of Applicability	18
Abbreviated Notice of Resource Area Delineation	1
Certificate of Compliance	18
Extension Permits	5
Amendments	2
Enforcement Orders	8
Emergency Certifications	1

The Millbury Conservation Commission is responsible for administering the Massachusetts Wetlands Protection Act, M.G.L. Chapter 131, Section 40, as it relates to issues in the Town of Millbury. All public hearings and public meetings concerning the filing of a Notice of Intent (N.O.I.), an Abbreviated Notice of Resource Area Delineation (ANORAD) or a Request for Determination of Applicability (R.D.A.) continue to be advertised, generally, in the Millbury-Sutton Chronicle.

The Conservation Commission continues to encourage all to use the Town's Conservation areas for passive recreation such as hiking and bird watching. The Police Department should be notified if any hunting or use of A.T.V. vehicles is noticed on these lands. Civic groups and individuals volunteering to help maintain or establish new trails are always welcomed and greatly appreciated.

The Conservation Commission can be reached by dialing 508-865-5411 at the Municipal Office Building. If no one is available, you may leave a message on our answering machine. The Commission normally meets on the first and third Wednesday evening of each month beginning at 7:00 p.m. One meeting a month is generally scheduled in July and August. Comments and inquiries from the public are always welcome.

REPORT OF THE PLANNING BOARD

To the Honorable Town Manager, Board of Selectmen and The Townspeople of Millbury: as members of the Millbury Planning Board we respectfully submit our Annual Report for Fiscal Year 2007.

A total of twenty-one (21) meetings were held in Fiscal Year 2007. Attendance for the Planning Board meetings was as follows:

Members	Present	Absent	Total
Anna Lewandowski, Chair	21	0	21
Brian Stowell, Vice-Chair	13	0	13
George Valery, Clerk	18	3	21
Richard Gosselin	21	0	21
Scott Mueller	5	1	6
David Vecchio	4	1	5
William Borowski	14	2	16

APPROVAL NOT REQUIRED PLANS

There were thirteen (13) plans filed under Chapter 41, Section 81P of the General Laws, Approval Not Required, during Fiscal Year 2007. These plans represent perimeter surveys, division of land with adequate frontage on public streets as required by the Millbury Zoning Bylaws, easement descriptions or additions to existing lots

SPECIAL PERMITS

There are numerous situations and proposals that require a Special Permit, a process in which the Planning Board is charged to make a decision whether a particular situation should be allowed to occur. The town's zoning bylaw lists the criteria for making these decisions, based on the Board's analysis of extensive technical and public input. Below is a summary of the various special permits applied for during the fiscal year, and the Board's decisions:

Multifamily Special Permits: There were six (6) applications filed under this section of the Zoning Bylaw. All applications were approved, with conditions. Three applications were for condominium units: Sycamore Gardens, Sycamore Street – 3 additional units; 92 North Main Street – 5 units; 20 River Street – 4 units.

Wireless Communications Facility Special Permits: There was one application filed under this section of the Zoning Bylaw which was approved by the Planning Board, for co-location on the existing tower at 428 Greenwood Street.

Site Plan Review Special Permits: There were four applications filed under this section of the Millbury Zoning Bylaw. (1) 131 Providence Road, approved; (2) Canal Street Place, property located off of Howe Avenue/Railroad Court (withdrawn by applicant); (3) Worcester Telegram & Gazette, Latti Farm Industrial Park (approved); (4) 130 Westborough Street (denied).

SUBDIVISIONS

One preliminary plan was filed and approved by the Planning Board: Watson Estates, property located off of McCracken Road.

There were nine (9) new definitive subdivisions filed with the Planning Board. Four (4) plans were approved for one additional lot each, requiring Planning Board approval due to lack of sufficient frontage; Autumn Gate II, a five lot subdivision off of Grafton Street, approved; Millbury Estates, a ten lot subdivision off of Dorothy Road/Pineridge Road, application withdrawn by applicant; Watson Estates, a four lot subdivision off of McCracken Road, approved; Patriot Place, an eight lot subdivision off of Howe Avenue, approved; McCracken Meadows, a modification to the Allaire Estates Subdivision off of McCracken Road containing twenty-two dwelling units on ten lots, approved; Mangano Estates, a forty-nine lot subdivision off of Braney Road, still pending.

CURRENT ISSUES

During FY 07 the Planning Board established an Accessory Dwelling Unit Bylaw, and a Stormwater Management Bylaw. Work continued on the Millbury Housing Plan, which was completed and submitted for state approval.

Development of an updated computer mapping system of town-wide data, implementation of the Master Plan, creation of the Open Space and Recreation Plan update, and protection of our natural and built resources will continue to be the Board's primary focal points.

* * * * * * * * *

The Millbury Planning Board holds its regular meetings on the second and fourth Mondays of each month. These meetings are now televised on local access channel 13. Concerned citizens are invited to attend and anyone wishing to meet with the Board should call the Planning Department at the Municipal Office Building to make arrangements. The Planning Board encourages public participation in every element of the planning process. The Town Planner is available during regular business hours to meet with the public to address any planning issue.

BOARD OF APPEALS

REPORT OF THE BOARD OF APPEALS TO THE HONORABLE BOARD OF SELECTMEN AND CITIZENS OF MILLBURY:

The Board is comprised of five members and two alternates. They are as follows:

Chairman, Richard P. Valentino Vice Chairman, Daniel Mezynski Clerk, Paul Nigosian

Harold Proodian Glenn Hand

Alternates: Gary Schold

The Board's powers are as follows:

To hear and decide applications for special permits, upon which the Board is empowered to act based on Chapter 40A, 40B, and 41 of the General Laws, and to hear and decide appeals or petitions for variances for use with respect to particular lands or structures.

The Board would like to thank Leonard Mort for his years of service on this Board.

Respectfully submitted,

Richard P. Valentino, Chairman Board of Appeals

REPORT OF THE BOARD OF HEALTH

TO THE HONORABLE BOARD OF SELECTMEN AND CITIZENS OF MILLBURY

We hereby submit out annual report for the year ending June 30, 2007.

Post 9/11, the Federal Government recognized the need to expand the responsibilities of the public health agencies across the nation. In 2003, the Federal Government's Centers for Disease Control began to fund public health agencies to better respond and protect the citizenry from large scale biological events. Recently, this Board has developed a plan in conjunction with Town Public Safety, Public Schools and Emergency Management officials, a system whereas local government has the ability to appropriately distribute/administer vaccines with 24 hours of a large scale infectious disease outbreak. As scientist and infectious disease experts begin to acknowledge the real possibility for a worldwide "Pandemic Influenza" outbreak, this Board can assure the public that response measures are in place and continue to evolve.

The Board of Health has investigated more than 159 complaints (of which agents have had to respond at least twice to each complaint, for the initial and follow-up). There were 4 condemnations, and 44 cases were brought to court. These complaints entail the enforcement of various Massachusetts Department of Public Health's Sanitary Codes, such as "chapter 11 of Minimum Standards for Human Habitation", and Chapter X, of Minimum Sanitation Standards for Food Establishments.

This Board has partnered with the "Worcester Regional Tobacco Control Collaborative", which ensures local merchants are complying with State Youth Access regulations. This Collaborative also assists with educating and enforcing State Environmental Tobacco Smoke Regulations.

We would remind all residents as well and food establishments that there is "free" garbage (food waste) pick-up. You can contact the Board of Health office at 508 865-4721 for more information. At this time there are 495 households and businesses that utilize this service.

Residents are reminded that all animal bites and communicable diseases are reportable, by law, to the Board of Health office. The following numbers were reported from July 1, 2006 thru June 30, 2007.

- 3 Salmonellosis
- 2 Hepatitis B
- 12 Hepatitis C
- 2 Tuberculosis
- 5 Streptococcal

- 24 Lyme
- 3 Babesiosis
- 2 Legionella
- 2 Campylobacter
- 2 Pneumonia
- 9 Possible Exposure to Rabies

A total of 388 permits and licenses were issued.

Millbury Public Library Annual Report 2007

The Millbury Public Library wishes to thank the Town of Millbury and our patrons for their continued support of our efforts to meet the needs of the community.

The library was full of activity throughout the year. A variety of fascinating and enjoyable programs were presented including: story times, crafts and entertainers. Summer is one of our busiest periods. This year children were able to "Catch the Beat @ Your Library" with a reading program sponsored by the Massachusetts Regional Library System, the Massachusetts Board of Library Commissioners and Waste Management Systems. In the final program participants created their own instruments and proved what talented children we have in Millbury. Several programs that complemented the theme and added to the excitement were "The Pumpernickel Puppets" and "Sparkey's Puppets." The "Imagine That!" production of *The Singing Ringing Tree* had the children participating and performing. All these presentations were funded by our local sponsors: The Friends of the Millbury Public Library and The Millbury Cultural Council. The final program

Adults were encouraged to explore their creativity with Greg Maichek's watercolor workshop funded by the Ben Miles Memorial Fund and The Millbury Cultural Council.

Your suggestions for future programs are appreciatively accepted.

"Celebrity Readers," the brainchild of Trustee, Rita Sullivan, is a series of very successful programs that combine readalouds and interviews with various people at well known location in the area. Some of these sites include the Millbury Historical Museum, the train car at the Senior Center, Elms Theater and Higgins Armory. Programs can be viewed weekly on the cable access channel.

Everyone at the library was sorry to say goodbye to our friend and colleague, Leah Devine, who has earned a well deserved retirement from The Board of Trustees after more than twenty-five years of service. We were pleased to welcome Alfred Boden who replaces Leah until the next election.

The Board of Trustees continues to advocate for and support the library in its efforts to provide needed services to the citizens of Millbury.

Submitted by:

Elaine Loehmann, chairman, Millbury Public Library Board of Trustees Elizabeth Valero, Director

REPORT OF COUNCIL ON AGING

To the Honorable Board of Selectmen and Citizens of Millbury:

I respectfully submit the following report for 2007

	Meeting	Present	Absent
Harold Ostrowski, Chairman	10	10	0
Richard Townsend, Vice Chairman	10	10	0
*Aldona Karsok, Clerk	10	4	6
Everett Grahn	10	9	1
Helen Mankevetch	10	9	1
Betty Hamilton	10	4	6
Gertrude Ellis	10	10	0
Stuart Mulhane	10	6	4
Lorraine Hayes	10	10	0
*Stanley Stickney	10	7	3
Steven Walinsky	10	9	1
Judith O'Connor, Director	10	10	0

The Council on Aging office, Senior Center and Drop in lounge are located at 1 River Street. We are in our 34th year serving those 60 years and older.

The days and hours of operation are as follows: Monday through Friday 8:00 A.M. to 4:30 P.M., and Wednesday evening from 6:00 P.M. to 9:00 P.M. The Town's elder population is 2,672.

The following programs and services are being offered:

Intergenerational Programs (Helping Hands, M.O.V.E. Program), Socialization, Information, Referral and Client Advocacy, Fuel Assistance Program, Legal Aid, AARP Free Tax Program, Periodical Informational/Educational Programs, Friendly Visitors Program, Evening Activities, and I.D. Cards for Senior Citizens.

Nutrition Program: Through a grant from the Age Center of Worcester, we provide a hot lunch program at the Senior Center, Monday thru Friday at 12 noon. We delivered approximately 75 meals per day to the homebound. We provided a total of 14,192 Congregate meals and 15,759 home delivered meals. The sponsor for our MOW Drivers is the Millbury Savings Bank.

Our health services include: Podiatrist Clinic, Health Education Clinic, Hearing Aid Clinic; Osteoporosis Forums, Flu Shot Clinic, along with our weekly Stay Well Clinic, Exercise Classes, Yoga and Tai Chi are also offered.

Social Activities; There are many social activities that the Council on Aging provides: Cards, bingo, crafts, walking club, sing-a-long, whist, craft store, movies, and line dancing exercise class, Bridge and monthly birthday parties. Summer concert are provided in the garden, and were co-sponsored by Mike and Lucille Maguire and Selectmen Bernie Plante, Fran King and Joe Coggans.

We also worked with the Blackstone Valley Tourism to encourage more events such as the "Chain of Lights". Our evening activities and weekend events are extremely successful and it gives the younger elder population some wonderful things to do and to keep them active.

We also provide day and over night trips, other miscellaneous activities that take place away from the Center.

Transportation: The Council on Aging runs five (5) vehicles. During the past year we provided 31,672 one way rides to the elderly and handicapped of Millbury. Our service also, provides rides for all ADA Clients, (Americans with Disabilities). Our service area is one town out in each direction (Auburn, Grafton, Sutton and Worcester).

Grants Received: The Council on Aging was successful in obtaining three (3) grants, this past year. They were \$16,705.00 from the Executive Office of Elder Affairs for program services for year 2007 at the Senior Center, \$25,000.00 from Millbury Savings Bank for a Fuel Assistance program, \$59,000.00 for a replacement vehicle from the Executive Office of Transportation and Construction. Through the effort of our Friends of the Millbury Seniors, we were able to do the needed work and projects for building. They are also providing the funding for the plantings and upkeep of the Victorian Garden..

To the staff: A sincere thanks for doing outstanding jobs and implementing the programs and services at the Senior Center. Special thanks to all the wonderful volunteers who do an outstanding job at a whole variety of different things, we are 103 strong.

The Council on Aging Board and I sincerely thank all Town Departments, Town Agencies, Churches, Merchants, Civic Groups and all the Townspeople for their continued support.

Respectfully submitted

Judith A. O'Connor, Director

* Deceased

REPORT OF THE MILLBURY HOUSING AUTHORITY

The Millbury Housing Authority hereby presents the annual report for the fiscal year ending September 30, 2007.

CHAPTER 200-1

The Chapter 200-1 Program consists of twenty-five Cape Cod houses located on Memorial Drive. These houses were originally built to house veterans after World War II. While veterans are given a preference under this program, the units also provide safe, decent, sanitary housing at affordable rents for families of low income regardless of veteran status. The units continue to be completely occupied.

The Housing Authority pays a designated fee "in lieu of taxes" on these properties and pays the ongoing rate designated for sewer usage.

CHAPTER 705

The Housing Authority currently houses twelve low-income families under this program. Five of the scattered site properties owned by the Housing Authority house six of the families and another six families are housed in a three duplex site located on Burbank Street.

The Housing Authority pays sewerage use and real estate taxes on all of its 705 properties.

MRVP PROGRAM

At the end of September 2007 there were three individuals or families participating in the Massachusetts Rental Voucher Program. Participants in this program are entitled to a fixed voucher payment, made directly to their landlord. The voucher payment is based on the household size, income, composition and the geographical location of the rental unit. These vouchers continue to be mobile allowing participants to use the vouchers anywhere in the state.

A **Transitional House** provides the necessary training for older adolescent girls to live independently. The Housing Authority has a contract with **YOU**, **INC**. to provide this training. The house can accommodate up to four girls. A subsidy under the **Massachusetts Rental Voucher Program (MRVP)** from the Department of Housing and Community Development provides the necessary funding.

CHAPTER 667-C

This program is made up of one hundred forty-six units of low income housing for the elderly and handicapped. Thirty-two of the units are located on Pearl Street, sixty units are located on Colonial Drive and another fifty- four units are located at 95 Elm Street. All units continue to be fully occupied.

CHAPTER 667-4

The Chapter 667-4, Congregate Housing Program, located on Colonial Drive, consists of five apartments with a total of twenty-three bedrooms. This program is designed to provide affordable housing together with supportive social and health services to help individuals maintain independent living and prevent early and unnecessary rest home or nursing home placement. It provides companionship yet offers privacy to its participants. At the end of September 2007 there were twenty-two residents living in the Congregate facility.

A separate application must be filed for this program. Applicants must first meet the same financial and age requirements as our conventional housing programs to be eligible. For application or program information, call the Millbury Housing Authority at 508-865-2660 or Lisa Bennes, Congregate Coordinator, at 508-865-2960.

The Millbury Housing Authority continues to act as sponsor for the Congregate Housing Program under a grant from the Executive Office of Elder Affairs.

Also located in the Congregate Building on Colonial Drive is the Adult Day Health Care Center. This program provides assistance on a daily basis, including meals, recreation, socialization, personal care and medication management for frail elders and disabled individuals. Janet Clawson, RN, directs the program, which is managed by the Auburn District Nursing Association, Inc.

MAINTENANCE

Our maintenance program involves maintenance of forty-four buildings that include one hundred eighty-nine apartments. Housing Authority maintenance personnel maintain the common areas, grounds and parking lots in our elderly developments. Families in single or duplex housing units maintain their own grounds.

Our maintenance staff consists of four full-time positions: Allen Marcell, Maintenance Coordinator, Thomas Austin, David Perkins and Michael Michalak, Sr., all Maintenance Mechanics 1. The dedication and excellent work performance of our maintenance department is reflected in the condition of the Housing Authority's properties.

ADMINISTRATION

Management and maintenance of all Housing Authority programs and properties is administered by the Executive Director and approved by the Board of Directors. Office hours are 8:30 A.M. to 4:00 P.M. Monday through Friday.

The administrative staff consists of one (1) part-time office clerk, Linda Vernon, and (3) full-time employees: Secretary/Clerk, Judith Flynn; Congregate/Service Coordinator, Lisa Bennes; and Executive Director, Janet L. Cassidy.

ELIGIBILITY REQUIREMENTS

Age Limit: - (Elderly) 60 years of age or older (Disabled) No age limit

Asset Limit: - The asset limit for admission is as follows:

- (a) When net family assets are \$5,000 or less, the actual income from assets is used:
- (b) When net family assets are more than \$5,000, the greater of the following is used:
 - (i) actual income from assets; or
 - (ii) imputed income from assets based on the passbook rate established by HUD.

Income Limit (net)	1 person	=	\$ 40,150.00
	2 people	=	45,900.00
	3 people	=	51,600.00
	4 people	=	57,350.00
	5 people	=	61,950.00
	6 people	=	66,550.00
	7 people	=	71,100.00
	8 people	=	75,700.00

Anyone meeting the eligibility requirements is encouraged to apply. All regulations are posted at the office of the Millbury Housing Authority located at 89 Elm Street. Applications are available at the housing office or will be mailed upon request. Tel. 508-865-2660.

THANK YOU

On behalf of the citizens residing in our elderly/handicapped and family developments, I wish to thank the Millbury Lions' Club, the Millbury Lionesses, the Millbury Police Department, and the many organizations, businesses and clubs for the numerous services and kindnesses rendered them during the year.

We are especially grateful to both the Police and Fire Departments for their conscientious service and quick response to our alarms.

A special thank you to the Millbury Board of Health and Auburn District Nursing Association for providing the monthly blood pressure clinics.

RECORD OF ATTENDANCE FOR BOARD MEMBERS

and State Appointee	6
Barbara Blavackas, Vice-Chairman	11
Robert Fisher, Treasurer	8
Veronica Wood, Asst. Treasurer	11
Lorraine Hayes, Member	11
Frances M. Gauthier (new State Appointee)	5

Report of the Asa Waters Mansion Task Force

To the Honorable Board of Selectmen and the Citizens of Millbury:

We hereby submit our Annual Report for the fiscal year of July 1, 2006 through June 30, 2007.

We are pleased to report that the Asa Waters Mansion was once again awarded a \$50,000 tourism grant, achieved through the collaborative efforts of Senator Edward Augustus, Jr. and Representative Paul Frost. This grant was received to promote and restore the Mansion, and allowed us to complete numerous electrical upgrades, plumbing and heating improvements, and install additional historically correct architectural attributes such as mahogany doors and exterior shutters. The grant was also used to create a Welcome Center on the first floor where visitors may view a video tour of the Mansion and obtain literature about points of interest throughout the Blackstone Valley.

Carol Vulter, one of the founding members of the Asa Waters Task Force, retired from the committee. We are grateful to Carol for her twelve years of dedication and commitment to the Task Force, she will be sorely missed. We are fortunate that she remains actively involved in the Friends of the Asa Waters Mansion. Dennis Hill was appointed as a member of the Task Force, and Steven White was appointed as an alternate member, thus giving us a full board.

Diane Hill replaced Dolores White as President of the Friends of the Asa Waters Mansion. We are thankful to Dolores for her past leadership and are appreciative to Diane for filling the role.

Our Director, Catherine Elliott, remains active in aggressively promoting the Mansion in new markets. She is on the Board of Directors for the Blackstone Valley Chamber of Commerce, and is a member of both the Blackstone Valley Tourism Steering Committee and the Blackstone Valley Tourism Association.

This fiscal year was a very active one due to an increase in bookings and a multitude of historical and cultural events hosted in conjunction with the Friends of the Asa Waters Mansion. In September, The Friends hosted a Vintage Bridal Fashion Show which presented a vast number of antique bridal gowns from the past 100 years. In December we opened our doors to hundreds of visitors for our annual Christmas Festival and our holiday Afternoon Teas. Activities continued over the winter and into spring as we hosted a special Valentine's Tea, a Celtic Tea, and a Children's Tea. For the second year in a row the Asa Waters Mansion participated in the Blackstone Valley Home and Business Exposition and once again brought home the top prize for the Best Booth Overall. In April we hosted a weekend-long visit from "President Abraham Lincoln" which included Presidential programs and a recreation of a Presidential State Dinner. In May we opened the doors of the Mansion to Millbury High School students for prom photographs, and later in the month we enjoyed working with the Millbury Women's Club to cohost a visit from "Abby Kelley Foster."

The Mansion was utilized by numerous organizations for educational seminars. Of historical significance were workshops hosted by Northeastern University focusing on the Birth of the American Lyceum which was founded here in Millbury in the early 1800's, and the "Great Tours

Workshop" conducted by the National Trust for Historic Preservation for the New England region.

Through their fundraising efforts the Friends of the Asa Waters Mansion once again contributed to the beautification of the Mansion. In the spring, Mrs. Griffith's second grade class planted "Sara's Garden" in honor of Asa Waters' daughter who passed away as a young girl. This garden was funded by a grant from the Massachusetts Community Service-Learning Foundation with additional funding from the Friends of the Asa Waters Mansion. The Friends also continued their long time commitment to their community by generously volunteering their time to staff bereavement receptions this year.

Through all the growth and increased activity we continued to adhere to our unwavering goal of allowing Millbury Community Service Organizations to utilize the Mansion free of charge. We are pleased that at least one half of the Mansion's utilization continues to be gratis for town organizations.

As the year drew to an end we were notified that Senator Augustus had nominated Task Force Chairperson Sandy Cristo for an Unsung Heroine Award; Sandy was invited to the Massachusetts State House to receive the award issued by the Massachusetts Commission on the Status of Women. The year closed on a very positive note as Representative Paul Frost and Senator Augustus helped us apply for another \$50,000 Tourism Grant, and in June we were pleased to be informed that the grant was approved for FY 2008.

The Asa Waters Task Force and the Friends of the Asa Waters Mansion collectively work together to keep the Mansion a treasure for the Town of Millbury. We thank the citizens and business community for their continued support of our endeavor in "watching an old building with care."

The following attended meetings of the Asa Waters Task Force during the fiscal year:

REPORT OF THE VETRANS AGENT

To the Honorable Board of Selectman and the Citizens of Millbury:

I respectfully submit the annual report of the Millbury Veterans Service Department for fiscal year ending June 30, 2007.

This department averaged 15 clients being assisted financially and with medical expenses along with assisting them filing for other State and Federal benefits they may be entitled to. Assistance has been provided in enrolling numerous Veterans into the Veterans Affairs health care program allowing them to obtain their health care and prescriptions through the VA.

I wish to extend my thanks to the Board of Selectmen, The Town Manager and other Town Departments for their continued co-operation and assistance in making this department operate in a smooth manner.

\$14,600.00

VETERAN'S BENEFITS

CASH GRANTS: Ordinary Benefits Fuel/Heat	\$46,338.00 \$7,573.00	
DOCTORS	\$ 1,863.07	
MEDICATION	\$ 5,206.37	
HOSPITAL AND CLINICS	\$ 628.05	
DENTAL	\$ 3,084.00	
MISCELLANEOUS (includes health insurance and Flags for Veterans graves on memorial day)	\$11,833.97	
TOTAL EXPENDITURES FOR FISCAL YEAR 2006\$76,526.46		
DEPARTMENT EXPENSE		

Sincerely yours,

SALARIES (AGENT)

Phillip D. Buso

PUBLIC ACCESS/CABLE TV ADVISORY COMMITTEE

To the Honorable Board of Selectmen, Town Manager and Citizens of Millbury:

The Millbury Public Access Cable TV Advisory Committee works with Charter Communications to establish, improve, and maintain cable services to residents, in addition the committee posts and updates notices on the community bulletin board, Channels 11, 12 and 13. Millbury Public Access is funded solely by a grant from Charter Communications; we do not use tax money to fund our organization.

The committee is comprised of seven members and two associate members. They are as follows:

Paul DiCicco, Chairman Frank Irr, Vice Chairman Mary Krumsiek, Secretary Roger Desrosiers, Member Robert Sullivan, Member Jeffrey Dore, Member Richard Carew, Member

In the year 2007, your cable committee has continued to negotiate with Verizon for additional cable for the Town of Millbury. Your cable committee feels this is definitely in the best interest for cable subscribers.

At our studios we have experienced an increased number of in-studio productions we now have three programs that shoot regularly at the main studio located at Millbury High School. Along with "Local Rock" our local music show, we have added "get out" starring our own Mary Krumsiek and Doreen Hall, which is a local talk show where Mary and Doreen go around town and talk to people and visit places throughout the town. We also have "Celebrity Readers" a show presented by the Millbury Public Library which includes our local Millbury "celebrities", including the Police Chief, Assistant Fire Chief Jeff Dore, and members of the Board of Selectmen, reading stories to the children of Millbury. We also have covered several one time only programs like Candidates Night, New Voting Machine demonstration and the Chain of Lights.

Millbury Public Access is very pleased to continue to bring the Board of Selectmen and Planning Board meetings to the residents LIVE from Studio B on Channel 11. Hopefully next year we can add a few more committees to that very short list.

Millbury Public Access also provides free of charge the opportunity for any resident in the Town of Millbury to join our team. We offer training courses and the opportunity to use our professional video equipment for any and all events happening in the Town of Millbury. If anyone is interested in finding out more information please do not hesitate to call 508-865-0847 or email Kevin Krassopoulos at wmpal13@yahoo.com.

Millbury Public Access correspondence can be addressed to: P.O. Box 777, Millbury, MA 01527 or to the number or email listed above.

Respectfully,
Paul DiCicco, Chairman
Millbury Public Access/Cable TV Advisory Committee
Kevin Krassopoulos, Public Access Coordinator

DIRECTOR OF PUBLIC WORKS

The Department of Public Works consists of Highway, Parks, Transfer Station, Cemetery, Sewer and the Tree Division. All divisions are to be commended for their participation, attitude and pride. Projects and emergencies were handled in an efficient and timely manner due to the Department's professionalism and dedication to the residents of Millbury.

HIGHWAY/PARKS/TRANSFER STATION DIVISIONS

Highway Division

The Division is responsible for all public ways and infrastructure within the Town. Seasonal work consists of cleaning catch basins, culverts, roadside mowing, street repair, sweeping, grading of dirt roads and line painting.

Highway Division Projects Completed

Removed sand from Dorothy Pond Recreation area to Highway Garage Roadside spraying of weeds and poison ivy in various locations 8 new picnic tables constructed for various locations Rebuilt 24 catch basins

Re-graded all dirt roads as needed

Hauled catch basin material and street sweepings to Upper Blackstone holding area Replaced damaged culverts and pipes on Oakland Ave, South Main Street, Sycamore Circle, West Main Street, Oakview Ave , Davis Road, Oak Pond Ave , Auburn Road Installed new catch basins : Wheelock Ave. , Montgomery Drive , Providence Street Built new container area at Transfer Station

Snow and Ice

The Department responded to 21 snow events for the winter season. 11 plowable and 10 salt and sanding events.

Transfer Station

The Division took the hauling to Wheelabrator in-house. This will be a cost savings to the Town of approximately \$50,000.00 per year. The metal recyclable program has also changed into a profit making venue. The Department has been reimbursed an approximate \$4,000.00 profit for a 3 month period starting in October 2007.

Recycling is encouraged and residents should be commended for their efforts to recycle. The Town has recycled the following tonnage for the year:

- -219 tons of combined plastic, glass and cans
- -102 tons of cardboard
- -32 tons of metal

Parks

The Parks Division maintains all Town Parks, the Senior Center and ASA Waters grounds. The result of this division is reflective of the dedication and effort of the Departments to maintain and groom all areas for the residents to enjoy.

Tree Division

The Tree Division is responsible for all public shade trees within the Town. The Division works very hard to provide maintenance to establish a tree canopy throughout the town that is beneficial to all residents. Identified dead and diseased trees are addressed and stump grinding is completed once the identified tree is removed.

Cemetery Division

The Central Street Cemetery is a true Town asset. The Division takes pride in maintaining the property to the fullest. This past year 16 dead and diseased trees were removed. The stumps were removed and looming and seeding will be completed in the spring of 2008.

REPORT OF THE PARKS COMMISSION

We hereby submit the report of the Parks Commission for the fiscal year 2008. The Parks Commission is responsible for ensuring the maintenance and safety of all town parks.

The following is a list of Park Commissioners:

Ron Marlborough, Chairman Randy Mogren, Vice Chair John Dufresne Norman Gonyea Mario Sarro

The following is the fiscal budget:

Salaries: \$2,600 Supplies: \$ -Expenses: \$ 400

The following parks fall under the responsibility of the Parks Commission:

Washington Street Park
Greenwood Street Park
East Millbury Park (Wheelock Avenue)
Jacques Field (West Main Street
Tot Lot (Millbury Avenue)
Millbury Common
Senior Center (Lawn Maintenance)
Engine #2 (West Main Street – Lawn Maintenance)

The following parks fall under the responsibility of the Parks Commission:

Assignment of Fields

The Parks Commission is responsible for the assignment of town fields for town sponsored sports leagues.

July 4th Road Race

On an annual basis, the Parks Commission sponsors a road race for all age groups. The race starts at the High School and ends at Windle Field. All participants are given a free T-shirt.

Santa on the Common

On an annual basis, the Parks Commission sponsors Santa on the Common. The candy is donated by the Millbury Police Department.

REPORT OF THE CEMETERY COMMISSION

**Kenneth Carrignant Richard Plante Richard Plante, Jr.

To the Honorable Board of Selectmen and the Citizens of Millbury, below are the appropriations and expenditures for Fiscal Year 2007, July 1, 2006 thru June 30, 2007-Central Cemetery.

Salaries (Administrative)			
	Appropriated	Expended	Balance
	\$4,300.00	\$4,300.00	.00
C 1 : (A11 O.1)			
Salaries (All Others)			
	Appropriated	Expended	Balance
	\$5,500.00	\$5,499.00	\$ 1.00
General Expenses			
	Appropriated	Expended	Balance
	\$5,000.00	\$3,606.78	\$1,393.22
	• /	• /	. ,

There were 53 burials at Central Cemetery in fiscal year 2007. We continue to work within the cemetery to provide for additional grave sites. As a result of the limited space, lots are sol on an as needed basis.

We wish to thank the Millbury Police for their regular patrols during the year and all other departments for their assistance.

Respectfully submitted, Richard F. Plante, Clerk

REPORT OF THE EARTH REMOVAL BOARD

To the Honorable Board of Selectmen and the Residents of the Town of Millbury:

We hereby submit the First Annual Report of the Millbury Earth Removal Board (ERB) for fiscal year 2006-2007. The ERB Bylaw was established at the Annual Town Meeting 2006, and the board organized in November, 2006. Regulations, applications, filing fees, etc., were established to move the ERB forward. The ERB is charged with determining the general purpose of the ERB which is to govern any excavation, disturbance or removal of more that 500 cubic yards of soil within a twelve-month period. The Bylaw and applications are available in the Town Clerk's office.

The Board held 14 meetings and attendance was as follows:

	Present	Absent
Joseph Coggans, Chairman	14	0
Leonard Mort, Vice-Chair	12	2
Anna Lewandowski	13	1
Thomas Brown	9	5
Al Peloquin	13	1

Also in attendance at most meetings were Ronald DeSantis, Town Building Inspector who would be the enforcer and able to collect fines, and James Malley, Engineer.

Applications for current projects brought before the board include:

Aggregate Industries
Autumn Gates Subdivision
Cronin Brook Subdivision
Latti Farm, Telegram and Gazette
Upper Blackstone Wastewater Treatment Plant

A written request for an individual permit brought before the board was granted a waiver while other projects were reviewed and deemed applications not necessary but would be kept under observation. The ERB was instrumental in securing \$27,000 in back taxes before a permit for one project could be granted. Permits will not be granted until all taxes are brought up to date. Most developments approved by the Planning Board must apply to the ERB.

In its first year, the ERB has attempted to work within the Bylaw and will be making any suggested corrections at a future Town Meeting. Meetings are held the third Tuesday of the month at 6:30 p.m. in the Municipal Office building and more often as needed. Any input from the citizens of Millbury is welcome.

Respectfully submitted,

Joseph Coggans, Chairman Millbury Earth Removal Board

REPORT OF THE SEWER COMMISSIONERS

To Citizens of the Town of Millbury, we respectfully submit our Annual Town Report for the fiscal year ending June 30, 2007.

Accomplishments of the Commissioners during this fiscal year include:

- 1. The sewer system consists of 1 main pumping station, 11 supporting pump stations and 50 miles of pipe. This system services 3500 homes.
- 2. As you are aware, the town is undergoing a \$21 Million Dollar sewer expansion project. In September, 2007, the Greenwood Street area including Roger Street, Border Avenue, Chunis Avenue, Elmwood Avenue and Hawthorne Street was completed. This portion of the project's cost as of January 22, 2008 was \$2,877,905.26. Additionally, as of this date 44 homes, approximately 50% of the homeowners, have connected to the system. The second phase of the project includes the Lake Singletary & Laurel Heights areas. This phase is scheduled to be completed June, 2009. Under the terms of this phase \$6,843,492.50 has been allocated. The final phase of the project will include Park Hill Avenue/ Martin Street in addition to East Millbury. Bids from 13 different contractors were obtained with the award going to the lowest bidder Fed Corp of Dedham, MA at \$5,584,586.30. Expected completion date is June, 2010.
- 3. Private ongoing projects for the Town of Millbury under review include: Brierly Pond Village (50 homes), Cronin Brook Estates (30 homes), Autumn Gates I (30 homes) & II (5 homes), Mangano Estates (50 homes), Patriots Place (8 homes), Overlook Estates (12 homes), Park Hill Village (60 homes) and Sycamore Estates (25 homes). The Sewer Department personal continues to work with the developers to update and upgrade collection systems to accommodate the increase flows associated with the developments through Inflow and Infiltration costs.
- 4. Since connection to the Upper Blackstone Water Pollution Abatement District in January, 2005, our combined flow with the Town of Sutton totaled 464,046,000 gallons. Of this, the Town of Sutton represents an average of 9.07% usage or 42,088,972 gallons. As such, reimbursement from the Town of Sutton was \$77,164.29, this included \$40,172.91 in fees to the UBWPAD. At this time, the Board of Sewer Commission continues negotiations with the Town of Sutton to establish an Inter-Municpal Agreement and is nearing completion.
- 5. During this fiscal year the Sewer Department and The Abraham Group conducted a 10 year projected rate and usage study. With the cost of the current project and the tie in to the Upper Blackstone Water Treatment Facility the projected rates and usage is as such:

Description	FY08	FY09	FY10	FY11	FY12	FY13	FY14	FY15	FY16	FY17
Estimate	\$6.33	\$9.33	\$10.76	\$10.37	\$9.39	\$8.86	\$9.06	\$9.33	\$9.93	\$9.77
Rate										

6. With the continued costs associated with the implementation of sewer piping and usage, we would like to remind the users that water is a limited resource and through three basic ways to use less water: Change your habits (conserve water), repair leaks immediately, and install water saving devises.

Respectfully submitted,

Gary Nelson Frank Gagliardi Happy Erickson

REPORT OF THE POLICE DEPARTMENT

To the Honorable Board of Selectmen and the Residents of the Town of Millbury:

I hereby submit my Annual Report for the Fiscal Year beginning July 1, 2006 through June 30, 2007.

This past year has been another busy year for the Millbury Police Department. The Shoppes @ Blackstone Valley have increased our call volume and demand for services. This does affect and increase the crime rate of the Town. Due to the ever increasing amount of traffic the Mall creates there are new challenges presented to the neighborhoods nearby especially McCracken Road and Greenwood Street and obviously to our Police Department.

A new officer was added to the compliment of men and women of the Millbury Police Department and his name is Christopher M. Polselli. He was hired to keep the department at current levels.

We continue to receive funding in the form of grants for the School Resource officer, DARE and other community policing activities such as RAD which stands for Rape Aggression Defense training. This new program is instructed by Officer Kimberly Brothers and has been a success thus far.

You may notice that our crime rates for certain crimes have increased some due to arrest and reported crimes. This is mainly due to the large amount of growth our Town is experiencing especially with The Shoppes @ Blackstone Valley in full operation.

Again, I would ask all residents to lock you homes and your vehicles to help reduce crime in our Town. It is necessary in today's world and will assist in keeping our Town safe.

I always extend my grateful thanks to the residents of the Town of Millbury, to all employees of the Police Department, to all Departments and Department Heads, and to the Board of Selectmen for you're past support and cooperation with the Department. I graciously ask for your continued support.

Respectfully submitted,

Richard L. Handfield Chief of Police

Court Convictions

There were approximately forty-five (52) convictions at the Worcester Superior, District and Juvenile Courts based upon officer appearances at court. This number does not reflect the true number of convictions that were handled by the District Attorney's Office at pre-trial conferences, plea-bargaining, and juvenile diversion programs, which would reflect a much higher number of convictions. The courts do not tabulate this information.

TOWN OF MILLBURY REPORT OF THE FIRE DEPARTMENT

To the Honorable Board of Selectmen and the Citizens of Millbury: I hereby submit my annual report for the fiscal year of July 1, 2006 through June 30, 2007:

BUILDING & PROPERTY

Headquarters Building and property: overall condition is fair.

126 Elm Street Headquarters houses:

Built 1947 Engine 1-2000 Ferrara Ignitor, condition is excellent.

Aerialscope-1977 Mack, condition is good. Rescue Truck-1981 Ford, condition is fair.

Hose 1-1972 Mack hose reel truck, condition is good.

Rescue Boats (2), Boat Trailer

1 Captain, 3 Lieutenants, and 14 firefighters man Headquarters.

Station 2 Building and property: overall condition is good.

207 West Main St. Station 2 houses:

Built 1978 Engine 2-2003 Ferrara Ignitor, condition is excellent.

Engine 4-1989 Mack Tanker/Pumper, condition is good.

Rescue Boat

1 Captain, 2 Lieutenants, and 9 firefighters man Station 2.

Station 3 Building and property: overall condition is good.

1489 Grafton Rd Station 3 houses:

Built 1972 Engine 3-1997 Freightliner condition is good.

Forestry 1-condition is fair.

Pick up truck, 4X4, with slide in unit-condition is fair. 10Kw generator (federal surplus) condition is good.

Foam Trailer

1 Captain, 1 Lieutenant, and 9 firefighters man Station 3.

Station 5 Building and property: overall condition is good

240 Millbury Ave. Station 5 houses:

Built 1954 Engine 5-2001 Ferrara Ignitor, condition is excellent.

1 Captain, 1 Lieutenant, and 10 firefighters man Station 5.

ATTENDANCE REPORT

There were 25 meetings posted for the Board of Fire Engineers during the fiscal year 2006-2007. One meeting was cancelled. The attendance report for the remaining meetings is as follows:

	<u>Attended</u>
Chief Engineer David J. Rudge	23
1 st Asst. Chief Marc T. Auclair	17
2 nd Asst. Chief Matthew R. Belsito	24
3 rd Asst. Chief Philip J. Day, Jr.	24
4 th Asst. Chief Jeffrey A. Dore	21

ORGANIZATION

The Board of Fire Engineers reorganized on July 10, 2006 for FY07 as follows:

Chief Engineer David J. Rudge First Asst. Chief Marc T. Auclair Second Asst. Chief Matthew R. Belsito Third Asst. Chief Philip J. Day, Jr. Fourth Asst. Chief Jeffrey A. Dore

FIRE INCIDENT REPORT FOR JULY 1, 2006-JUNE 30, 2007:

STRUCTURE FIRES	17
VEHICLE FIRES	18
CHIMNEY FIRES	3
OUTSIDE/RUBBISH FIRES	6
BRUSH FIRES	4
SERVICE CALLS	110
CHIEF ONLY CALLS	14
FALSE ALARMS	61
MUTUAL AID CALLS	30
ACCIDENT/RESCUE CALLS	12
ALARM MALFUNCTIONS	67
BOMB THREATS	0
TOTAL ALARMS	342

An estimated damage loss for all fire incidents is \$445,130.

INSPECTIONS, PERMITS, AND FEES

The following are permits/inspections completed by the Millbury Fire Department during the fiscal year of July 1, 2006 through June 30, 2007:

SMOKE DETECTOR PERMITS	227
OIL BURNER PERMITS	86
PROPANE TANK PERMITS	37
OPEN BURNING PERMITS	299
FIRE SYSTEMS INSTALLATIONS	14
BLASTING PERMITS	22
FIRE REPORTS	8
TANK TRUCK INSPECTIONS	48
TANK REMOVAL PERMITS	11
MISC. PERMITS	6

Buildings such as schools, nursing homes, residential complexes, inns, and various business facilities are inspected by the fire department throughout the year.

REVENUE

Money collected from permits, fees, and inspections totaled \$17,230 for the period of July 1, 2006 to June 30, 2007. This includes \$1,600.00 collected in fees for services rendered on the Massachusetts Turnpike and \$100 in false fire alarm fees. There were 299 seasonal permits sold at \$10 each and 10 Agricultural Permits issued-at no charge-during the 2007 burning season. All fees are turned in weekly to the Treasurer's Office.

DEPARTMENT TRAINING

Asst. Chief Matthew R. Belsito is the Fire Department's Training Officer. There were 44 training sessions conducted this year, including several mutual aid-training drills. Other training included: Firefighter I & II, AED training, attack and supply, pump operations, haz-mat awareness, ice rescue, water rescue, gas school, accountability procedures, foam operations, water shuttle, ground ladder operations, Rapid Intervention Team training, and confined space rescue.

The Fire Department had two recruits who attended the District 7 recruit training program. David Lahair and Jarrod Annese graduated from this program in June 2007. Each will be appointed as a regular member of the fire department effective July 1, 2007.

FIRE PREVENTION

The Fire Prevention Program is headed up by Asst. Chief Marc T. Auclair. The S.A.F.E. Program was well received at the schools--starting at the pre-school level up to the sixth grade. We held our Open House on Saturday, October 14, 2006 on the grounds of the R. E. Shaw School. The day's activities included the operation of the Aerialscope, a demonstration of the use of the Jaws of Life at an accident scene by the Rescue Team, and demonstrations on what to do in the event of a stove fire in your kitchen. Mass. District 7 supplied the Smoke House Training trailer that many people toured. There also was an information booth on smoke detectors and their proper placement in your home. Papa Gino's supplied the pizza for all. The Ladies Auxiliary contributed, as well as many local businesses. This day was a huge success and I thank all who participated for a job well done.

WAGES

The following is a list of personnel who received wages from the Fire Department during fiscal year July 1, 2006 through June 30, 2007:

FF. MARK ADAMS 7,106.64 ASST. CHIEF MARC T. AUCLAIR 7,561.03 FF. PETER BALKUS 2,242.64 ASST. CHIEF MATTHEW R. BELSITO 7,803.61 FF. RYAN BOUCHER 2,936.82 FF. PETER BOUTHILLETTE 2,073.09 FF. SUMMARY

This has been a very active year for the members of the Millbury Fire Department. The Building Committee, which was charged to design a plan to rebuild or replace Fire Headquarters, had 17 meetings beginning in May 2005 and ending on September 12, 2006-when a Special Town Meeting was held. The Committee had lengthy discussions on how to proceed, and it was decided to have the building demolished and replaced with a new state-of-the-art fire station built in the same location and designed to accommodate future needs of the fire department. Unfortunately, this Article did not pass at Town Meeting, but we will work to present this again in the future. Committee members spent many hours on this project and I thank them for their time and efforts.

I am pleased to report that we applied for and received a grant through Homeland Security in the amount of \$81,415 for new radio equipment and a vehicle exhaust extraction system. Using \$38,665, we purchased a new high-band radio system, new two-way radios for the fires stations and fire apparatus, and new portable radios and pagers for all the firefighters. The remaining funds of \$42,750 were used to purchase and install a much needed vehicle exhaust emissions extraction system at Fire Headquarters.

Another project was to find a location for our new high-band radio repeater system. After testing various locations in Town, it was recommended to ask for permission to use the Town-owned Butler Farm property. Permission was granted by the Butler Farm Re-Use Committee to clear an area 150' x 200' to erect a 120' pole for our antennas. It took four weekends and several weeknights of volunteers from the Fire Department using chain saws and other equipment to accomplish this--at no cost to the Town of Millbury. Special thanks to the following for their help—Asst. Chief Marc Auclair, Asst. Chief Jeffrey Dore, Capt. Ray Hobin, Lt. Francis King, Lt. Jason Cadrin, FF. Frank Stachura, FF. Tom O'Connell, FF. Ryan Boucher, FF. Chris Day, and FF. Stephen Saucier. Other people and businesses who participated and should be thanked include: National Grid for supplying the crane and excavator to set the pole; Albert Kupcinskas-A.K. Machine for the machine work on the aluminum antenna poles, E. Osterman Propane for various equipment; Dave Aspinwall Excavating for the use of backhoes, bulldozers and dump trucks; the Carpenter's Training School for the donation of a storage shed for the radio equipment; Dominick Triolla- Aggregate Industries for various stone materials; and the Millbury Highway Dept. and Ron DeSantis-Millbury's Building Inspector for their assistance and technical support. A very special thank you to Robert Pearson of Pearson's Dairy and his family for his patience and understanding in the use of his property on West Main Street to gain access to the Butler Farm site.

This past year, the Fire Department lost four former members; Russell Gover from Station 5, Robert White-former captain of Station 5, Charles Westling from Fire Headquarters, and Clifford C. McDermott from Fire Headquarters. As a group, they gave more than ninety years of service to the Millbury Fire Department.

Special thanks should be given to the Millbury Fire Department Ladies Auxiliary. They continue to be a great asset to the Fire Department. Part of their "job" is to assist us at large fires by providing food, water, and dry clothing. We have come to know them as a hardworking group that is ready and available to respond whenever needed. Again, thank you Ladies for your support.

In closing, I would like to thank the Board of Selectmen, all town departments, and our clerk, Regina Markey, for their help and continuing support. Thank you also to our dispatchers and police officers who send us where we are needed and look over us as we work. I also ask that when you see a member of the Fire Department that you thank them for their dedication and service. They are truly what makes the Millbury Fire Department the best, and I am proud to serve as the Fire Chief of this great Department.

Sincerely, David J. Rudge, Fire Chief

REPORT OF THE SCHOOL COMMITTEE

In 2006-2007 we had a productive and positive school year in each of our schools.

We continue to work with the town to provide the necessary resources to the schools to support teaching and learning.

New state and federal requirements establish challenging and clear expectations defining what our students should know and be able to do.

As this school year unfolded, we were faced with the challenge of selecting a new Superintendent of Schools. As this process began, a selection committee was established which included a citizen-at-large, a senior citizen, the senior class president, a school committee member, a parent from each school, a teacher from each school, and two principals and the Business Manager. Once narrowed down, site visits of the finalists were undertaken, along with final interviews with the School Committee. We are pleased to have selected Mrs. Susan T. Hitchcock of Sterling as Millbury's Superintendent of Schools.

We welcomed the visiting team of the New England Association of Schools and Colleges here to accredit the Millbury Memorial Junior/Senior High School. We are very proud of the way our students and staff represented their school and of the outstanding commendations the school achieved in their report.

We continue to work and develop meaningful educational opportunities for all our students consistent with our mission "to provide them with a wide variety of learning experiences so that they will have the essential skills and abilities to be lifelong learners."

We appreciate the continued support from the citizens of Millbury that makes these efforts possible.

Respectfully submitted,

Jane Brady Pojani Chairperson, School Committee

Alan Marble	19	19
Thomas Clawson	22	21
Leslie Vigneau	22	22
Arthur Corey	22	20
William Borowski	3	3

REPORT OF THE SUPERINTENDENT

I am very pleased to have been chosen as the Millbury Public Schools' Superintendent, effective July 1, 2007. This is an opportune time to thank the School Committee, Town Officials and the community for its warm welcome and acceptance. I continue to look forward to building a professional working relationship that will benefit families and children.

Millbury is a community that champions and embraces quality educational opportunities that include a full day Kindergarten program for all students, appropriate student/teacher classroom ratios, academic programs that promote complex problem-solving skills, a blend of Fine Arts programs so that students may demonstrate their creative talents, a vast array of Community Service-Learning activities designed to foster civic involvement, programs that promote student engagement and thereby, reduce the dropout rates and leveled courses that prepare students well for higher education. Although some communities profess to support their public schools, Millbury has proven, by its actions as a community, that education is a priority.

During the 2006 – 2007 school year, the district developed a number of initiatives to support the federal No Child Left Behind Act. Priority was given to increasing student achievement in the areas of Reading and English/Language Arts and Mathematics throughout the district. Much of the year was spent analyzing the reading data at the Elmwood Street School and determining which reading series would best address decoding, fluency and comprehension skills. Teachers and paraprofessional staff were then provided professional development time to master the new instructional techniques and the standards, as outlined in the Massachusetts Curriculum Frameworks.

Although Everyday Math was implemented during the 2005 - 2006 school year, the second year offered an opportunity for teachers to observe effective math instruction provided by the Math Coach and for students to benefit from additional before and after school, small group math instruction.

As you will note in additional sections of this report, significant time was spent preparing for two onsite accreditation visits; one from the Massachusetts Department of Education, which reviewed Special Education and English Language Learner policies and practices and the other, the New England Association of Schools and Colleges, reviewing the high school facility, programs, curriculum standards and practices. Both written reports highlighted a number of exemplary practices/programs and recommendations to be addressed. Copies of these public information reports may be obtained by contacting the Superintendent's Office. The next step in the process is to formally address any concerns, in writing, and await the acceptance of the district's actions.

This community is so very proud of its students and its schools. I look forward to promoting the Millbury traditions, such as *Woolie Pride*, that have meant a great deal to so many and moving the important initiatives forward, like Community Service-Learning, which grew under the leadership of Mr. Roach.

Respectfully submitted, Susan T. Hitchcock, Superintendent of Schools

REPORT OF THE DIRECTOR OF PUPIL SERVICES

SPECIAL EDUCATION

During the 2006-2007 school year, the Pupil Services Department of the Millbury Public Schools provided supportive services to approximately four hundred and seventeen students over the course of the year. Most of these services were provided within the public school setting and consisted of educational assistance and remediation, speech and language therapy, occupational therapy, physical therapy, counseling, and adaptive physical education. Thirteen of these students with more significant needs attended programs provided by area Collaboratives and private placements. An in-district program, Classroom Imagine, served seven Millbury students identified with significant needs.

Millbury offers an integrated Pre-Kindergarten program for three and four year olds which brings together students with special needs and their typically-developing peers from the community. Students are screened and evaluated for Special Education services on a monthly basis, in order to identify children in need of services. Early identification has allowed more students to remain in the general education setting with inclusion support services.

The Massachusetts Department of Education conducted a Coordinated Program Review in April 2007. The Department reviewed student records in the areas of Special Education, English Language Learners, and civil rights. From this review, the Department developed a report detailing both the strengths in each of these areas and issues that need to be addressed. The Coordinated Program Review assists the schools to continuously improve procedures in these areas. A copy of the Coordinated Program Review findings is available to the public in the children's room of the public library and in each school building.

SCHOOL NURSES

The Millbury Public Schools' employs three full time nurses, one in each school building. All nurses are fully licensed in the State of Massachusetts. In addition, Millbury employs an LPN to care for medically fragile students in Classroom Imagine. Having this program available allows students to stay in their community school and is a significant savings for the town. School nurses provide quality health care, both acute and preventative, for all students. They assess student's illnesses, provide skilled nursing care, consult with families, physicians, and care providers, and conduct routine, periodic health screenings. Additionally, the nurses are available to give medical care to staff, when needed.

School nurses are presented with children with very special needs being mainstreamed into our schools as well as children with acute medical conditions, such as diabetes and asthma, and severe food and environmental allergies. We have seen a slight increase in severe allergies at the elementary level. Data from the Middle and High School level has shown a teenage smoking rate that is higher than the state average. The Nurses have developed education programs around smoking, and this number is starting to decline.

Annual vision, hearing and postural screenings were held in each school in the fall. Regular postural screenings were held in the fall. Nurses also coordinated physical examinations and a

dental fluoride program for grades 1-6. Additionally, the nurses worked with community agencies such as the Lion's Club, Parents' Club, MA Association for the Blind, and the Millbury Board of Health to provide support for students and help promote their well being. The nurses are also involved in the schools' health education program (Second Steps) and educate students daily in the clinics on issues such as first aid, personal hygiene, nutrition, growth and development, safety, CPR, and communicable diseases.

"You can't educate people if they're not healthy and you certainly can't keep them healthy if they're not educated" Dr. Joycelyn Elders

Respectfully submitted,

Karen S. Molnar Director of Pupil Services

REPORT OF THE DIRECTOR OF CURRICULUM, INSTRUCTION, AND ASSESSMENT

GRANTS

During the 2006-2007 school year, the Millbury Public Schools was awarded \$827,380 in grant funds. All of these grant opportunities met the requirements and intent of the authorizing state and federal legislation. Grant funds contributed significantly to the district's efforts to strengthen academic programs.

The Millbury Public Schools submitted a No Child Left Behind (NCLB) consolidation planning grant to the Department of Education for the fiscal year 2007. The federal law mandates school districts raise student achievement to the state determined proficiency levels in Reading, English Language Arts and Mathematics. The Millbury NCLB Strategic Plan aligns the district goals with all aspects of the NCLB regulations. These NCLB funds support five strategic goals that expand upon our district's own initiatives and instructional priorities. The Consolidated Plan of the Millbury Public Schools included scientifically based reading methodologies, proven criteria and national standards to guide the district to achieve the NCLB goals.

2006-2007 Federal and State Grants:

Fund Code	Federal/State	Grant	Amount
305	Federal	Title I	\$202,540
140	Federal	Title IIA Improving Educator Quality	\$57,587
160	Federal	Title IID - Enhanced Educational Technology	\$2,719
331	Federal	Title IVA Safe and Drug Free Schools	\$8,811
302	Federal	Title V Innovative Programs	\$2,873
240	Federal	IDEA Special Education	\$422,749
262	Federal	Early Childhood Special Education	\$23,536
274	Federal	Special Education Program Improvement	\$17,165
701	State	Quality Full-Day Kindergarten	\$89,400
632	State	MCAS Academic Support	
		Total Awarded FY 2007	\$827,380

PROFESSIONAL DEVELOPMENT FOR THE 2006-2007 ACADEMIC YEAR

In order for students to increase their performance levels, teachers must be provided with professional development that is embedded, specific to their content area and teaches them to instruct students with varying academic skills and learning styles. Towards that end, the district provided the following institutes:

Training with Attorney Regina Williams Tate - September 12, 2006 All Faculty & Staff Discussion was held regarding current legal issues, student record requirements, requirements regarding English Language Learners, and a review of the sexual harassment policy.

Connecting Content and Kids: Integrating Differentiated Instruction and Understanding by Design – September – December 2006

Differentiated instruction and understanding by design are two of the greatest challenges and "big ideas" in curriculum and teaching – how to connect the diverse needs of individual learners to a quality, standards-based curriculum. Participants gained a framework for how to plan instruction.

Effective Teaching Strategies - October 2006 – May 2007

(3 New Teacher Institutes)

This has been a year long course lead by Mrs. Ford, modeled on *The Skillful Teacher* by John Saphier and Robert Gower. The participants were eligible for academic credit at the graduate level from Fitchburg State College. This was an interactive course designed to make the first year transition to teaching easier and strengthen teachers' skills regarding lesson design.

Applied Behavior Analysis – January – March 2007

Within this course the definition and characteristics of Applied Behavior Analysis were reviewed. Additionally, key terms and concepts were introduced.

Building a System of Tens – February – May 2007

Is a mathematics professional development curriculum designed to assist experienced K-7 teachers explore the structure of our base – 10 number system and examine how children develop an understanding of it.

Behavior Management for Today's Classroom – March – May 2007

This course was designed to assist educators in selecting, developing, and implementing affective behavior management strategies for their classrooms.

SNAP (Student Numeracy Assessment Progression) – June 2007 & September 2007

This institute facilitated teacher assessment of individual development in early numeracy and support students' mathematical thinking.

Introduction to Second Language Learning – June 2007

This program involved two days of Category I ILL training and program development regarding second language acquisition.

REPORT OF MILLBURY MEMORIAL JUNIOR/SENIOR HIGH SCHOOL

The enrollment at the beginning of the 2006-2007 academic year was 620 students in grades 9-12, and 317 students in grades 7 and 8, for a total enrollment of 937 students.

In May, a thirteen member accreditation team from the New England Association of Schools and Colleges completed its evaluation visit. Millbury Memorial Junior/Senior High School received many commendations which resulted in our school's continued accreditation. In preparation for the visit, extensive curriculum work in all areas was completed to assure alignment with state standards in each subject area and comprehensive self-studies were completed.

One of the principles of our school's mission is to work in partnership with home and community. Our students participated in Halloween and Valentine Bingo at the Senior Center, raised \$1900 to donate to the Lions Club to assist with holiday purchases for children, and collected food items for local food pantries. Some of our students volunteered their time to assist senior citizens with computer skills. In honor of our veterans, *Operation Recognition* was held to present diplomas to local veterans who were unable to receive a diploma due to fulfilling their military obligation. Also, students in our band hosted a joint concert with students from Shepherd Hill to pay tribute to those who served. Students in our Social Issues group recognized those men and women currently serving overseas by sending holiday cards and packages.

We continue to develop a variety of learning opportunities. Student participation in engineering related classes has continued to grow. Senior Projects allow students to conduct in-depth research on a topic of interest in preparation for a culminating presentation. Senior presentations included organization of an all day rock concert, the art of tattooing, learning sign language, producing a film documentary of their senior year, and studying genetics. Students participated in internships, were eligible for articulation credit, and many students took part in National Enterprise Day and Job Shadow Day. Students in our Advanced Foods classes get practical, hands-on experience preparing foods for many events hosted at our school.

The arts are an integral component of education at our school and our students have demonstrated noteworthy talent. Art students submitted work to the Congressional Art Competition, the Blackstone Valley-Upton Regional Art Show, and the State display in honor of the retiring Commissioner of Education. Senior student, Anthony Desimone won the State Art Award and had his work displayed in Washington D.C. Mehina Devlin, an eighth grader won first place within Central Massachusetts in the Lions Club Peace Poster Contest. Three of our music students, Travis Gagen, Amanda Howland, and Adam Mejaour qualified for Central Massachusetts Districts. Adam Mejaour received one of music's highest honors by being selected to the All State Band for his talent on the trumpet.

The school's musical production, *Once upon a Mattress*, showcased the performing arts skills of many of our students. Music and performance skills are also demonstrated by our marching band, concert band, jazz band, percussion, chorus, and color guard. Our students once again represented us well in the Lions Club Speech Contest. Local winner Neal Riley went on to win at the district level.

Many of our students volunteered their time to assist and partake in Deval Patrick's Education Forum and Civic Engagement Forum. Our students spoke eloquently about the opportunities for civic engagement and service provided by their school. Civic engagement and responsibility are encouraged through our Community Service Learning Youth Council. The members of the council oversaw twenty-six grants totaling \$7000.00. One of the grants allowed our band members to work in conjunction with the director of the Senior Center to host a concert by the Air Force Band of Liberty. This free concert filled our gymnasium to capacity. Eighteen students from our Community Service Learning Council attended the annual conference at the College of the Holy Cross where they were part of the standing ovation for Superintendent Roach when he received the Service Learning Leader Award.

Students Against Destructive Decisions had a very busy year. They took part in a Sticker Shock campaign at local package stores, conducted seat belt safety surveys, presented informational sessions regarding the new teen drivers' regulations, organized a week of activities to promote good decisions, and hosted a twenty- fifth birthday celebration for SADD. Due to a grant received by our SADD chapter, four students and their advisor were able to attend the National SADD Convention held in New Orleans during the summer.

Our junior high students had the opportunity to participate in some new extra-curricular activities. Students could join competitive math teams, write a junior high newspaper, join a chess club, or play ping pong and air hockey after school. Ten eighth-grade students and two science teachers traveled to Florida to participate in the Wheelabrator Environmental Symposium. The students presented their research on the mercury found in fluorescent bulbs and explained the recycling program they initiated to assist with removing mercury from our waste streams. This experience has been made possible through the generosity of Wheelabrator for the past four years.

Millbury athletics continued to represent the school and the community in a very positive manner. The following Millbury High School teams won Southern Worcester County League titles; Girls Cross Country, Girls Basketball, and Boy's Track and Field. The Girls Basketball team won its first District Title in school history. Some individual student-athletes enjoyed a great deal of success including; JennaKay Boucher and Andrew Piscitelli who won District Track Titles, and Sophomore Kirsten Orrell who won the State Shot Put Title. The athletic programs were also recognized by the

Massachusetts Interscholastic Athletic Association for continued demonstration of good sportsmanship.

Diplomas were awarded to 147 seniors. All members of the Class of 2007 passed the MCAS. Eighty-seven percent of the graduating class went on to either 2-year or 4-year colleges. Through the generosity of the citizens of Millbury, the members of the Class of 2007 were granted over \$85,000.00 in scholarships. These scholarships were awarded through Dollars for Scholars and local scholarships.

Sincere thanks to the members of the Millbury Parents' Club for their continued support of our students. The educational and enrichment opportunities provided to the students at Millbury Memorial Junior/Senior High School would not be possible without the support of the community and School Committee. The members of the NEASC visiting committee commended us on our strong community support. After interviewing students, parents, faculty, and community members, they understood that *Woolie Pride* is much more than a saying.

We thank the citizens of Millbury for their continued commitment to education.

Respectfully submitted,

Linda R. Swenson Principal

REPORT OF THE RAYMOND E. SHAW ELEMENTARY SCHOOL

At the Raymond E. Shaw Elementary School, the staff continued to work toward achieving the goals of the *No Child Left Behind Act of 2001*, the program goals of Millbury Public Schools and the goals of Raymond E. Shaw School Improvement Plan. During the 2006-2007 school year, Raymond E. Shaw Elementary School educated 429 students in grades four through six.

The *TestWiz* program was used to help analyze MCAS results in each subject area tested. This breakdown of scores provided information on the strengths and weaknesses of individual students and of the curriculum. One of the areas of weakness identified for improvement was responding to open response questions. Teachers spent time during Common Planning meetings to identify instructional strategies that were used throughout the year to improve MCAS performance, especially for open response questions. Time was spent on a professional development day to prepare materials for weekly modeling and practice.

New computer stations were installed for the special education classrooms to be used for the *Kurzweil* program. Teachers utilized workstations in their rooms daily for instruction, as well as for other tasks. The Computer Application and Technology/Engineering (CATE) class was implemented first time during the 2006-2007 school year.

The *Everyday Math* program was implemented. Professional development focused on lesson planning and evaluation, assessment, pacing, framework alignment and *Everyday Math* technology resources. The Math Coordinator worked very closely with the teachers to assure that the program was implemented well. Common Planning meetings were used for grade level work on planning lessons and the implementation of *Everyday Math*.

As a part of the district wide language arts review process, staff at Shaw examined current language arts instruction. Materials, pedagogy and assessments were discussed. Through the self-study, key areas of improvement were identified. Also, a reading consultant visited Shaw Elementary School to observe language arts classes and to interview teachers. After the visits, the consultant compiled a report on the strengths and weaknesses of the current program and produced a plan of action for the school. The plan included implementation of guided reading, flexible grouping and more frequent assessment to guide instruction. This process was begun by engaging in professional development on balanced literacy, guided reading and differentiated instruction and will continue during the 2007-2008 school year.

The social studies and science teachers used Common Planning meetings to discuss and work on modified lessons and assessments for special education students. Also, non-fiction leveled readers were purchased to help support classroom instruction for students who read below grade level.

The teaching staff focused on assessment during staff meetings this year. The topics for this ongoing work included: assessment that is based on learning goals and standards; assessment that informs/drives instruction; assessment that helps teachers accurately report student progress. Two inclusion consultants visited Shaw Elementary School to observe inclusion and pull-out classes and to interview teachers. After the visits, the consultants compiled a report on the strengths and weaknesses of the current program and produced a plan of action for the school.

The *Second Step* program continued to be an important component of the anti-bullying and community building program at Shaw Elementary. All grade four and five students also participated in the *Talk Works* anti-bullying program. Attorney Lesure from the District's Attorney General's Office presented to all grade six students. The Project D.R.E.A.M. program sponsored by Millbury Police Department was introduced to grade six. Officer Frank Piscitelli from Millbury Police Department taught lessons based on the national DARE curriculum.

Many enrichment activities and Service Learning projects helped students explore their talents and/or learn to care for their community. The Student Council was instituted, and a new enrichment program, *Gap Junction*, was added this year.

The continued growth and student-centered education at Shaw Elementary school is supported by the School Committee, Central Office Administration, dedicated staff and parents, the Shaw School Council, Parents' Club, volunteers and the community. Thank you for your support.

Respectfully submitted,

Riitta M. Bolton Principal

REPORT OF THE ELMWOOD STREET SCHOOL

During the 2006-2007 school year, the Elmwood Street School continued its tradition of educational excellence and student success. Enrolling 596 students in grades preschool through grade three, the Elmwood Street School provided a dynamic yet nurturing learning environment geared to meet the needs of all learners.

The Elmwood Street School's curriculum initiatives were guided by the federal mandates of the *No Child Left Behind Act of 2001* as well as the goals described in the Elmwood Street School Improvement Plan. Aligning instruction and assessment with the <u>Massachusetts Curriculum Frameworks</u>, the Elmwood Street School continued to make AYP (Adequate Yearly Progress) toward the goal of having all students proficient in English language arts and mathematics by 2013-2014.

The literacy development of our students was carefully monitored through analysis of MCAS performance and other assessment data. A new assessment tool, *DIBELS (Dynamic Indicators of Basic Early Literacy Skills)*, was adopted to track student progress and identify at-risk readers. Guided reading and the use of literacy centers added another dimension to instruction. Literacy folders were revised and the use of portfolios continued to document the writing development of students in grades K-3. Representatives from the Elmwood Street School participated in the district—wide English Language Arts Committee charged with identifying current practices and recommending improvements.

In mathematics, the Elmwood Street School fine-tuned the implementation of the *Everyday Math* program. Student performance data was tracked and analyzed in order to improve learning. The math specialist continued to support teachers with model lessons, coaching, and after school institutes. Calendar benchmarks, developed by Elmwood teachers, were implemented and weekly math challenges helped students develop and share problem solving strategies. A family math night, held in April, was well attended.

A "math club", designed to pre-teach concepts and boost confidence with mathematics, met before school from October through May. Approximately 25 third graders benefited from this unique opportunity.

After a year long process of development and design, the Elmwood Street School implemented a standards-based report card in grades kindergarten through grade 3. This improved reporting system clearly articulated for parents what students should know and be able to do by the end of each grade level.

The Elmwood Street School remained committed to inclusion for all students and a wide range of support services ensured student learning. Special education programs provided specially designed instruction for students with Individualized Educational Programs (IEPs) as well as a full array of therapies including occupational, physical, vision, and speech therapies. The ABA program (Applied Behavior Analysis) designed to meet the needs of students with Autism Spectrum Disorders continued to grow and a newly hired BCBA (Board Certified Behavior Analyst) guided its expansion. Monthly screenings to identify any preschooler with special needs were offered. A full time R.N. monitored the health of all students and provided the

required hearing and vision screenings. Partnering with **Community Health Link**, counseling sessions were offered and social skills groups were provided by the guidance counselor and the school psychologist. The federally funded *Title I Program* supplemented classroom instruction for identified students.

A technology upgrade at the Elmwood Street School replaced aging computers and other equipment and provided an increase in student/computer ratios in classrooms. Student learning was supplemented by the consistent use of *Lexia*, *Accelerated Reader*, *Study Island*, *Everyday Math Games* and other computer programs. Technology continued to be highlighted and expanded as a tool for communication at the Elmwood Street School. Examples of this included school and teacher web-sites, e-mail, and technology- based curriculum projects and assessments. The use of assistive technologies as a means to access the curriculum was expanded to meet the needs of our special education students.

The Elmwood Street School staff remained dedicated to providing excellent instruction to all students by pursuing professional development opportunities such as institutes, workshops, graduate level courses, and conferences. Topics of study included differentiated instruction, technology, mathematics, reading strategies, ABA techniques and behavior management. Common planning time and extended day committees focused on increasing staff collaboration and the development of effective school practices. The Elmwood Street School was represented on the district-wide Professional Development Committee and the district's induction program provided support to Elmwood's newest teachers.

The Elmwood Street School maintained its important partnerships with families and the community. The **Parents' Club** continued its long tradition of sponsoring programs and events that enhance the educational process such as field trips and cultural arts programs. The **Volunteer Connection** organized and supported the numerous volunteers who helped our students and teachers on a daily basis. The Elmwood Street **School Council** continued its advisory role and helped to prioritize school improvement initiatives. Elmwood Street School staff members were awarded service learning grants that connected our students to the community while fostering civic engagement. The **Millbury Police Department**, the **Millbury Federal Credit Union**, and the **Millbury National Bank**, and the **Millbury Savings Bank** should also be acknowledged for the programs and support they provided to our school.

Finally, I would like to express my appreciation to the School Committee and all members of our school community for their consistent support, assistance and hard work that allowed the Elmwood Street School to provide each student with an outstanding educational experience.

Respectfully submitted, Elizabeth A. Chase, Principal

Dr. Michael F. Fitzpatrick Superintendent-Director

Fiscal Year 2007 Annual Report

REACHING FOR A SUCCESSFUL FUTURE: Your Blackstone Valley Vocational Regional School District prepares students for successful careers in tomorrow's increasingly complex global marketplace. Focusing primarily on long-term student success, the staff, faculty, administration and School Committee provide an educational experience that suits each student's developing strengths.

Valley Tech students learn that change is imminent and their ability to adapt is indispensable to their success. Valley Tech keeps learning vibrant and students inspired within an environmentally friendly and safe atmosphere. Following completion of its \$36 million expansion and renovation in January 2006, students study in an up-to-date facility which provides exposure to the resources and equipment they will encounter in today's sophisticated workplace environment.

During Fiscal Year 2007 (July 1, 2006 – June 30, 2007), Valley Tech, which serves 13 municipalities including Millbury, witnessed unprecedented growth, amazing accomplishments by its staff and students, and an ever-increasing sense of pride throughout the Valley Tech region.

Noteworthy among many Fiscal Year 2007 highlights were:

- Receiving a highly favorable report of a five-year focused review from a New England Association of Schools and Colleges visiting team;
- Earning a Pacesetter School distinction by the national *High Schools That Work* network, which is overseen by the Southern Regional Education Board;

- Gaining designation as a Business Leader for Energy Efficiency by Northeast Energy Efficiency Partnerships;
- Ranking sixth in graduation rate among more than 300 Massachusetts public high schools; and
- Serving as the sole host school for the SkillsUSA Massachusetts state championships, an Olympic-style event for vocational technical students.

VALLEY TECH STUDENTS DISPLAY TALENTS: The Class of 2007 continued a commendable trend by becoming the fourth straight from the school to post 100 percent passage of the Massachusetts Comprehensive Assessment System tests in English Language Arts and Mathematics. The students also participated in the Commonwealth's new COPS (Certificate of Occupational Proficiency) written exams, which are the vocational technical equivalent of the MCAS. Valley Tech staff also designed, developed, and administered its own written and skill demonstration tests.

Consistent with a school-wide initiative promoting a healthy lifestyle, the students in the Health Services and Dental Assisting programs hosted a Healthy Heart expo in the school's cafeteria annex. Supported by other vocational-technical programs, the expo clearly demonstrated the damage that unhealthy habits can impose on the human body. The Across The Curriculum learning initiative also included a heart healthy recipe contest. Recipe finalists were prepared by the recipe writer and a student from Culinary Arts, then judged by a panel to determine the winner.

Throughout the school year, Valley Tech students and staff gained invaluable application skills by completing more than 730 projects which also saved money for the school district and stakeholder towns and residents. Students either complete the work on campus or travel to project sites. A few examples include: Electrical students wiring research outposts along the Blackstone and Mumford Rivers for the United States Geological Survey; Painting and Design students designing and painting a wall mural at the Rockdale House Apartments, in Northbridge; Carpentry students building a storage shed for the Milford Public Schools; Health Services students working at various local nursing homes; and Dental Assisting students traveling to pre-school and elementary schools to teach youngsters proper dental care. All projects in the Valley provided a total return to the District of more than \$330,000.

NUMBERS SHOW SUCCESS: The FY07 total operating budget for the District was \$15,700,423. Chapter 70 Aid contributed \$5,972,403 and Minimum Contribution requirements from the 13 member towns totaled \$5,661,661.

In the operation portion of the budget, but outside DOE Net School Spending areas, the District budgeted \$831,647 for transportation costs, \$3,552 for acquisition of fixed assets,

and \$564,821 for retiree medical coverage. This was offset by \$692,241 in regional student transportation funds received from the state. In addition to their state-required Minimum Contributions, the member towns supported the school's operating budget with shared assessments for operations, student transportation, asset acquisition, and retiree medical. This investment provided the fiscal support to respond to the diverse learning needs of a student population that grew by 8 percent.

Giving consideration to the overall municipal fiscal constraints and the state's economic status, the District continues to search out greater efficiency in its staffing patterns, supply purchases, technology and other contractual service requirements. Because of these prudent budget management practices, the District had the ability to provide needed resources from unreserved fund balance in the amount of \$280,000 to offset the towns' actual assessments. Additionally, the District secured funds to purchase vocational equipment and other fixed assets through private donations totaling \$55,500.

CLASS OF 2007: Valley Tech's Class of 2007 included the following graduates from Millbury: Christopher Merrill Alt, Electrical; Shane Joseph Bolt, Culinary Arts; Christopher Anthony Bonner, Electrical (National Honor Society); Nicholas Jordan Kaleialoha Bruegger, Plumbing; Corey John Bunnewith, Culinary Arts (NHS); Richard Maxwell Gemme, Culinary Arts (NHS); Devin James Dallachie Kimple, Plumbing; Randall Richard Lebel, Electrical; Samuel Joseph L'esperance, Carpentry; Ashley Lynn Mallas, Business Technology; Douglas Joseph Sharleville, Carpentry; Kyle Jeffrey Silun, HVAC/R; Stephen Andrew Stachura, Electrical; Philip John Staruk, Electrical; Shana Marie Teles, Culinary Arts; Dawn Aline Tevepaugh, Painting & Design Technologies; Rochele Lorraine Tinsley, Business Technology (NHS); Brandon Thomas Vaillancourt, Manufacturing Technologies.

The 13 dedicated individuals who make up the Blackstone Valley Vocational Regional District School Committee provide leadership and expertise in overseeing the District's operations. In the FY07 elections for four-year terms, 10 incumbents were re-elected. Paul M. Yanovitch was elected to represent the Town of Hopedale, replacing Robert S. Metcalf, who served a four-year term. The Committee's combined industry-based experience and advice is unquestionably a valuable District asset as we prepare students for their individual career success in an ever-changing, competitively-charged global economy. Respectfully submitted by the Blackstone Valley Vocational Regional District School Committee, Superintendent-Director, and District Treasurer,

Michael D. Peterson, Mendon, Chairman Gerald M. Finn, Millville, Vice Chairman Daniel L. Baker, Uxbridge, Secretary Arthur E. Morin, Milford, Assistant Treasurer Joseph M. Hall, Bellingham William J. Pontes, Blackstone John C. Lavin, III, Douglas Anthony M. Yitts, Grafton Paul M. Yanovitch, Hopedale Chester P. Hanratty, Jr., Millbury Jeff T. Koopman, Northbridge Mitchell A. Intinarelli, Sutton Kenneth M. Pedersen, Jr., Upton

> Dr. Michael F. Fitzpatrick, Superintendent-Director Barbara Auger, District Treasurer
