DEDICATION

JOHN S. DONNELLY, JR.

(Jack)

In 1972 Mr. Donnelly was elected to the Millbury Board of Selectmen, serving eleven consecutive years as its chairman. John was on the Millbury Fire Department and served on the Board of Engineers. He was a coach for Millbury Little League and referee and coach for Millbury Pee Wee Basketball. He was a member of the Millbury Old Timers for many years. John received the Third Annual Leo P. Bachant Democrat of the Year Award in 1991. Mr. Donnelly was a veteran of the United States Army serving during the Korean War. He was also a member of the Charles F. Minney VFW Post and Vernon Hill American Legion.

BOARD OF SELECTMEN

For Fiscal Year 2015- The Board of Selectmen held 20 regular meetings and 6 special selectmen's meetings. Chairman Francis B. King was present for all meetings; Vice-Chairman Sandy J. Cristo was present for all meetings; Mary Krumsiek was present for all meetings; Brian M. Ashmankas was absent for one meeting and member Bill Borowski was absent for one meeting.

During this fiscal year the board had the opportunity to honor several employees who retired from the town of Millbury; we thank them for their dedicated service. Assistant Chief Raymond Hobin, Jr. retired after 36 years of steadfast service to the Fire Department-A special town meeting was held on October 7, 2014 to allow special police officers to work until the age of 70; this article passed and was approved by the Governor on January 7, 2015. This Special Town Meeting was the last Town Meeting of Moderator Tom Fox; his leadership for 42 years kept our town meetings running smoothly, he will be sorely missed. The Annual Town Election was held on Tuesday, April 28, 2015. Chairman Francis B. King and Vice-Chairman Sandy J. Cristo were up for re-election; also on the ballot was Scott Despres and Terry Burke Dotson; Sandy Cristo was the highest vote getter followed by Fran King. Town voters overwhelmingly rejected a Public Safety Complex estimated at \$2.1 million dollars. At the Annual Town Meeting which was held on May 5, 2015 and moderated by our newly elected moderator, John Bartosiewicz, who did a great job filling such big shoes; citizens approved a \$39,452,783 budget and \$100,000 supplement to the Chapter 90 funds for roads and \$225,000 to replace the HVAC system at town hall; the town received two grants for this HVAC project from the Green Communities in the amount of \$185,000 and \$30,000 from the USDA. The town hall employees endured a very hot summer and we thank them for their perseverance.

In January we put together a committee to see if having an in house attorney for the municipal side of legal would be cost effective for us. After months of research the committee came back and suggested a single firm with a retainer fee would be the most cost effective option for the town; we thank them for their work. In June the Board decided to hire Mirick O'Connell as the sole town counsel. Student Government Day was another success; as always, it is encouraging seeing young minds at work.

In closing, we wish to express our appreciation for the cooperation and assistance given to us by the various departments within town government. We particularly wish to thank the volunteers who contribute to the mechanics of government and help make Millbury a better community.

The Selectmen holds its regular meetings on the second and fourth Tuesdays of each month. These meetings are televised live on local access channel 191 Charter and channel 26 Verizon. Concerned citizens are encouraged to attend.

Francis B. King, Chairman; Sandy J. Cristo, Vice-Chairman; Mary Krumsiek, Brian M. Ashmankas and William Borowski.

TOWN MANAGER

Thank you to the Board of Selectmen, the citizens of Millbury and all employees for the privilege of being your Town Manager. While entering my 8th year as Town Manager,

The Bicentennial Committee had a beautiful monument placed on the grounds of the Municipal Office Building as a remembrance for generations to come. Our Town Planner, Laurie Connors has been working hard to get the Butler Farm Bark Park up and running while implementing an economic development plan and making our town more desirable for businesses; our DPW Director, Robert D. McNeil, III has been diligent about getting our trash tonnage numbers down and our recycling up for the transfer station as well as working on the roads, parks, cemeteries and sewerage services. Each department in town works very hard for our citizens and strives to help out whenever they can. The audit of the town's books came out very well for the seventh year in a row, many thanks to our Finance Director, Katie Lavallee and her entire team. The finance department went through many changes; Katie Lavallee who was the Assistant Town Accountant took over without interruption and Sherri Brousseau who worked in the Treasurer/Collector office became the Assistant Town Accountant, our Principle Assessor, Sandy Genna also left our employment and was replaced by Jean Moroski who has worked in the Assessor's office for many years. We have a new team that works fantastic together and gets the job done. For the third year the town has been awarded for their Comprehensive Annual Financial Report, which has only been accomplished by a small percentage of towns. Energy improvements continue in all of the Municipal Buildings and throughout the Town. The Towns of Millbury and Sutton have committed to energy reductions and have jointly hired an Energy Manager, Doreen DeFazio. Several long serving employees at the school and fire department have retired as well and I wish to express my thanks for their dedicated service to the Town. I want to take this opportunity to express my sincere gratitude to all of the employees and volunteers of the Town for their commitment and dedication; their commitment is essential to this Town.

The Fiscal Year 2015 budget has shown that, although there are signs of improvement in the economy, revenues continue to lag far behind and are making it extremely difficult to maintain current service levels. In spite of these ambiguous financial times, I am happy to report that the Town's department heads continue to work hard to find ways to provide the needed services to our citizens. The municipal and school officials continue to maintain a very positive and cooperative relationship as we traverse through these demanding financial times. It has been through this cooperative working relationship that we've been able to maintain high quality services to all the people of Millbury. I recently re-established the Financial Management Planning Committee to formulate a five year fiscal plan for the Town. We are hopeful that the efforts of this Committee will assist the Town in successfully navigating through these fiscally turbulent times.

Please feel free to contact me at anytime with questions or concerns you may have, otherwise I invite you to stop by the office for a visit or discussion regarding any issues you wish to discuss. My door is always open. As your Town Manager and resident, I look forward to working with each of you, in serving the residents of Millbury.

My Best Regards,
Bob Spain

MILLBURY PUBLIC LIBRARY

“A library outranks any other one thing a community can do to benefit its people. It is a never failing spring in the desert.”

— Andrew Carnegie

The Millbury Public Library wishes to thank their patrons and The Town of Millbury for supporting our Library. The Library has been very busy with storytimes, art shows, performances and our wonderful patrons. Keeping up with new technology is a challenge but we provide our best effort. The Library has a Nook, Kindle and iPad for use in the library. Patrons can use their own reading tablets to download books from the CW/MARS network at the Library or at home.

The Millbury Public Library was started in 1864 with a board consisting of only three members. It started at six hundred books with a condition that the town be responsible for the care and upkeep. The present day library sits on land donated by Delia C. Torrey and the building given by Andrew Carnegie in 1916.

The Children's department is always hopping. The Library provides storytimes on Wednesdays and Thursday, thanks to Miss Rose, our Senior Aid. She does a wonderful job with storytime and seasonal crafts. The children have a great time exploring and learning.

“Every Hero Has a Story @ your Library” was the theme for the State wide summer reading program. All the fun associated programs were well attended. We had 96 children sign up and thirty-five finished. The number of books read this summer was fantastic. The “Millbury Has Talent” has shown the wonderful talented people in our town.

The Library had the Worcester County Sheriffs' Department doing landscaping. They provide the labor we supply the lunch and materials. We were able to complete projects that weren't in the budget.

Adam Burdzel did his Eagle Scout project at the Library's front entrance. The spring of 2015 was beautiful with the flowers blooming. Every week there were different flowers. A bench completes the setting where patrons can sit down and admirer the garden.

The Library runs “Animals on Vacation” during school vacation weeks. This was paid for by the Friends of the Millbury Public Library. We had Creature Teacher, Audubon Ark and New England Aquarium.

The Library received a grant from the Rosemary Davis Fund for our programs “Animals around the World”. We run these programs on months when there are no school vacations. The patrons enjoy seeing the animals, some they can even touch. We had “The Whalemobile” an inflatable 40 foot Humpback whale. New England Aquarium brought their tidal pool. Patrons were able to touch starfish, clams, snails and other creatures in a tidal pool. Audubon Ark brought us farm animals, rabbit, duck and a turtle to every ones delight.

MILLBURY PUBLIC LIBRARY

The Library received a Millbury Cultural Council Grant. The money we receive from them is used for the summer reading programs. We had performances on Tuesday nights. We had Pumpernickel Puppets with “Sir George and the Dragon”, Scott Jameson did magic tricks, and Sparky’s Puppets did a program relating to “Every Hero has a Story.” John Porcino did storytelling and played music. We also had Haruo Shiga doing an origami program which the children and adults enjoyed.

The summer was busy on Thursdays with craft programs. Starting with Fourth of July Crafts, Sidewalk Chalk and Bubbles is always an enormous hit, Rangoli is an Indian craft making pictures with colored rice, Glow in the Dark Mason Jars, the children made their own Super Heroes using their imagination.

The Library has eight wonderful volunteers. They put in a total of 243.8 hours.

TOWN CLERK

To the Honorable Citizens of Millbury, Board of Selectmen, and Town Manager, I hereby submit my Annual Town Report for Fiscal Year 2015.

This Fiscal Year had Three (3) Elections, the State Primary held 9-9-2014, the State Election held 11-4-2014 and the Annual Town Election held 4-28-15. Election results are posted in the Registrars Report. There was One (1) Special Town Meeting held on October 7, 2014 and The Annual Town Meeting was held May 5, 2015. Town Meeting certifications can be viewed at the Clerk's Office. This report also includes the In Memoriam Page; Statistics; Appointments; Town Officers:

The special town meeting in October was related to: An Act Relative to Special Police Officers in the Police Department of The Town Of Millbury. However, it was also a special night for the Town of Millbury as this was the last evening that Moderator Thomas J. Fox, Jr presided over a Town Meeting. He was the Moderator for 27 years and was held with the utmost of respect. Tom will be missed and we wish him the best in his endeavors. At the Annual Town Election we welcomed John M. Bartosiewicz into the position of Moderator. As he presided over his first meeting he did a great job. Welcome John and hopefully he will enjoy the job and preside for many years to come.

I would like to thank Christine Billington, Asst. Town Clerk and Ann Swanson, Head Clerk for their support, work ethic and the outstanding customer service they provide to our town members. Please know that it is my pleasure to serve our town and the people who make our community one of the best to live in. To the town, school, police and fire departments please accept my gratitude for all you do for the office and for our great working relationships. To the members of the Board of Registrars, Jerilyn Stead, and Mary Brawn thank you for your help during the Elections and Town Meeting process. I would like to Thank Everett Grahn for all his years of service on the Board. He took his job seriously and did it with integrity. Thank you to all of our many Poll Workers for an excellent job, well done. Lastly, with all of my heartfelt appreciate I want to thank my family for always supporting me.

The office would like to express our appreciation for the Senior Work Program which helps throughout the year.

Office hours for the Town Clerk are Monday thru Friday, 8:30 A.M. to 4:30 P.M.
For your convenience, we are open until 7:00 P.M. on Tuesday evenings.

DIRECTOR OF PUBLIC WORKS

The Department of Public Works manages the following budgetary units:

- Administration
- Cemeteries
- Gasoline & Diesel Fuel Station
- Highway
- Maintenance & Operations
- Parks & Playgrounds
- Sewer
- Snow & Ice
- Solid Waste Management – Recycling/Transfer Station
- Street Lighting
- Tree Warden

Administration Division

Mr. Robert McNeil serves as the Department's administrative connection to the general public, as well as various Commissions, Boards, and Associations that interact directly with public works. Mr. McNeil is assisted by Head Clerk Cindy Allard and Operations Manager Robert VanMeter.

Cemeteries Division

The Cemetery Commission is responsible for the three town cemeteries; Central Cemetery located at the end of Waters Street, County Bridge Cemetery located at the intersection of Riverlin and Providence Streets, and Dwinell Cemetery located on Dwinell Road. Seasonal labor maintains our cemetery grounds. New street signs were installed this year. Graves are dug by a private contractor. There were 43 burials at the Central Cemetery in fiscal year 2015. Burial rights to 13 lots were sold totaling \$15,800.00 in revenue. The trust fund balances as of June 30, 2015 are as follows:

Trust Funds

St. Brigid's Cemetery	\$ 1,709
West Millbury Cemetery	\$ 737
Perpetual Care	\$ 270,785
Perpetual Care Flowers	\$ 5,059
Perpetual Care Dividends	<u>\$ 123,738</u>
Total funds =	\$ 402,028

As a result of limited space within the cemetery, burial rights to lots are sold on an as needed basis. The Cemetery Commission is always searching for additional grave sites and funding sources to expand and beautify our Millbury cemeteries.

DIRECTOR OF PUBLIC WORKS

Gas & Diesel Fuel Station

The current gas & diesel fuel station is located at 135 Providence Street and is an underground storage tank (UST) scheduled for replacement for fueling our town's vehicle fleet. This project initially failed at the 2014 Town Meeting but passed at the 2015 Annual Town Meeting in May.

Highway Division

The Division is responsible for all public ways and infrastructure within the Town. Seasonal work consists of salting streets and plowing snow, sweeping streets, cleaning catch basins, repairing, replacing, and mapping drainage infrastructure, dam operation & maintenance, roadside mowing, maintenance of Veterans monuments, asphalt repairs, repairing and replacing signs, line painting and various other tasks as assigned. Full-time staff includes Lead Joe Kosiba, Keith Caruso, Scott Elie, Dick Johnson and mechanic Robert Pelletier. Also, DPW welcomed newcomers Brian Boughton and Mark Ginese.

Maintenance & Operations - Chapter 90 Projects Completed

DPW reconstructed the industrial portion of Lincoln Avenue Extension, Carleton Road, and a portion of Stowe Road in late summer of 2014. Mill and overlay of Alpine Street, Elmwood Terrace and a portion of Elmwood Street was completed in early summer of 2015. DPW has plans to reconstruct Gilbert Way, Wedgewood Lane, and a portion of West Main Street as well as mill and overlay Wheelock Avenue, and a portion of West Main Street in the fall of 2015.

DPW also completed drainage culvert replacements for Stowe Road and Elmwood Street in 2015.

Roadway Advisory Committee

Fred Moseley, P.E. – Chairman

Vinod Kalikiri, P.E.

Barry Lorian, P.E.

Parks & Playgrounds

The Parks Division, staffed by Lead Carl Ward and several seasonal employees, maintains the 29 Veteran's Monuments, Washington Street Park, the Greenwood Street Park, the Jacques Park and the East Millbury Park, as well as the Tot Lot on Millbury Avenue. This consists of five ball fields and soccer fields. They also maintain the Town Common, Town Library and the Asa Waters Mansion grounds. This year Millbury again graciously hosted State Little League Semi-Final games at our Washington Street Park facility. The result of this Division's dedication and effort is several beautiful and useful areas for the residents to enjoy recreation, athletics, and assembly.

Sewer Division

The Sewer Division continues to study to reduce the infiltration and inflow of groundwater and storm water runoff into the sewer lines. Construction commenced for replacement of the Elmwood Street pump station in early summer of 2015.

The Millbury Sewer Division was led this year by Lead Foreman James Piscitelli and sewer workers Frank Stachura and Eric LeClaire. This team is responsible for the maintenance and operation of over 50 miles of sewer lines and 15 pump stations which serve over 3,600 customers. The average daily flow is approximately 1,000,000 gallons per day.

DIRECTOR OF PUBLIC WORKS

Sewer Commission

Gary Nelson – Chairman
Happy Erickson
Jeff Murawski - resigned
Lisa Allain – new member

Snow and Ice

The Department responded to multiple snow events and a seasonably cold winter with record snowfall, and plowed and treated public and private roads around Town with a combination of Town staff and private contractors.

Solid Waste Management - Transfer Station

This Division is staffed by Lead Foreman Joe Lobas and seasonal worker Adam Keown and was replaced in September by newcomer John Pedone. All trash is collected and hauled to the Wheelabrator facility by the Transfer Station staff. The recycling program converted to the Zero-Sort system allowing residents to deliver unsorted recyclables to our facility that improved pedestrian safety and led to increased recycling participation. The metal recyclable program continues to be a profit making venture for the town with just under 75 tons of steel removed and over \$12,700 collected. Recycling is mandatory and residents also have clothing recycling vendors available to them onsite. A total of 1,861 tons of trash was hauled to Wheelabrator by the Town Transfer Station in FY 2015, down 11% from FY 2014! This reduction resulted in a rebate of \$100,945.57 back to the Town. Our recycling program generated 799 tons of recyclables, up 23% from FY 2014! Thanks to all of our participants that contributed to these great changes! Keep up the great work.

Street Lighting

The Department coordinates maintenance and repair of faulty street lights with NGRID around Millbury.

Tree Warden

Tree Warden Ron Despres is responsible for public shade trees and works very hard to maintain the tree canopy throughout the town which is beneficial to all residents. The Tree Warden identifies dead and diseased trees and coordinates their removal. Stump grinding is completed by outside contractors once a backlog has accumulated.

Summer Help

A special note of thanks goes to the following great group of seasonal summer helpers who add so much energy and enthusiasm to our efforts in providing service to the citizens of Millbury:

Cameron Richer	Andrew Ekstrom	Grady Lolar	Bruce Lavigne
Justin Brousseau	Brandon Moseley	Randy Mogren	Jacob Swanson
Michael Valastro	Nicholas Bisceglia

Paul M. Nigosian, Chairman

Board of Appeals

THE PLANNING BOARD

To the Honorable Town Manager, Board of Selectmen and The Townspeople of Millbury: as members of the Millbury Planning Board we respectfully submit our Annual Report for Fiscal Year 2015.

A total of seventeen (17) meetings were held in Fiscal Year 2015. Attendance for the Planning Board meetings was as follows:

<u>Members</u>	<u>Present</u>	<u>Absent</u>	<u>Total</u>
Richard Gosselin, Chairman	17	0	17
Paul Pikelis, Vice-Chair	17	0	17
Jeffrey Markarian, Clerk	11	5	16

APPROVAL NOT REQUIRED PLANS

There were five (5) plans filed under Chapter 41, Section 81P of the General Laws, Approval Not Required, during Fiscal Year 2015, for 262-266 West Main Street, 53 Carleton Road, 7 Holman Road, 141 Millbury Avenue, and 145 Providence Street. These plans represent a division of land with inadequate frontage on existing ways as required by the Millbury Zoning Bylaws.

SPECIAL PERMITS/SITE PLAN REVIEW

There are numerous situations and proposals that require a Special Permit or Site Plan Review. The town's zoning bylaw lists the criteria for making these decisions, based on the Board's analysis of extensive technical and public input. Below is a summary of the various special permits and site plan review permits applied for during the fiscal year, and the Board's decisions:

Multifamily Dwelling Special Permit: One (1) application was filed under this section of the Zoning Bylaw, and was approved, with conditions, for Cobblestone Village, a 72 unit apartment complex located off of Howe Avenue. This application also received Site Plan and Post-Construction Stormwater Management approval.

Sign Special Permit: One (1) application was filed and approved under this section of the Zoning Bylaw, for Millbury National Bank, 18 Main Street.

Site Plan Review and Post-Construction Stormwater Management Permits: Two (2) applications were filed under the Zoning Bylaw (Site Plan Review) and the General Bylaws

THE PLANNING BOARD

(Post-Construction Stormwater Management): 40 Auburn Road, Large Scale Photovoltaic Installation of a Solar Farm, and 147 Providence Street, six self-storage units.

Minor Modifications to a Special Permit: The Board approved two minor modifications for the Shoppes at Blackstone Valley: Gift-Wise Kiosk located near the cinema, and banner installation on sidewalk poles.

Preliminary Plan: The Board reviewed one (1) preliminary plan, for Jessica J. Drive Extension.

Definitive Subdivision Plan Rescission: The Board issued a Certificate of Rescission for the Definitive Subdivision entitled “Patriot Place Estates”, located off of Howe Avenue.

CURRENT ISSUES

Development of an updated computer mapping system of town-wide data continued to be a primary focus. Zoning-based assessor’s maps are now available in the Assessors’ Office and Department of Planning and Development.

The Planning Board continues to police issues at various residential, commercial and industrial developments that are under construction.

* * * * *

The Millbury Planning Board holds its regular meetings on the second and fourth Mondays of each month. These meetings are now televised live on Charter cable channel 11 and Verizon cable channel 26. Concerned citizens are invited to attend and anyone wishing to meet with the Board should call the Planning Department at the Municipal Office Building to make arrangements. The Planning Board encourages public participation in every element of the planning process. The Planning Director is available during regular business hours to meet with the public to address any planning issue.

CONSERVATION COMMISSION

To the Honorable Selectmen and the Citizens of Millbury:

We hereby submit the report of the Conservation Commission for the Fiscal Year 2015.

The Commission held 19 meetings and the attendance was as follows:

The Millbury Conservation Commission is responsible for administering the Massachusetts Wetlands Protection Act, M.G.L. Chapter 131, Section 40, as it relates to issues in the Town of Millbury. The Act set forth a public review and decision-making process by which activities affecting areas Subject to Protection are to be regulated in order to contribute to the following interests:

Public and private water supply, protection of ground water supply, flood control, storm damage prevention, prevention of pollution, protection of land containing shellfish, protection of fisheries and protection of wildlife habitat.

Areas that are subject for review under the Wetlands Protection Act include the first 200 feet from the edge of a perennial stream referred to as “riverfront area” as well as the first 100 feet from a vegetated wetland or bank stream referred to as “buffer zone”. A permit must be obtained from the Conservation Commission before any work begins within the resource areas and the 200 or 100 foot buffer zones. Some projects that were reviewed by Conservation in fiscal 2015 included residential developments, solar arrays, construction of garages, additions and upgrades to properties along ponds and lakes.

There are over 520 acres of Conservation Land managed by the Conservation Commission in the Town of Millbury, some with accessible recreational trails. As part of the Brierly Pond Village Phase II project, 20.9 acres were conveyed in FY15 to the Town

CONSERVATION COMMISSION

of Millbury to be managed by the Commission. Land that is owned by the Town's Conservation Commission is considered protected. Its future as open space is assured. The protection of Millbury's open space resources is crucial because these landscapes help define the character of Millbury and reflect its past, provide crucial habitat for a diversity of wildlife and recreation opportunities for people, preserve the quality and quantity of Millbury's water resources, and absorb stormwater to reduce flooding.

In addition, the Conservation Commission is interested in managing its lands to create healthier forests. By actively managing forests, the Conservation Commission is able to limit the spread of invasive species, create alternative habitats, construct a network of well-defined trails, and raise money to purchase additional conservation land and maintain existing resources.

The Commission sponsored a successful Earth Day Cleanup of the Brierly Pond Conservation Area on April 24, 2015. The Commission also participated in Student Government Day on May 19, 2015, interacting with Millbury High Students to explain the roles, responsibilities and projects that come before the Commission. We look forward to continued success and would like to thank all those who made these events possible. Civic groups and volunteers willing to help maintain or establish new trails are always welcome and greatly appreciated.

The Conservation Commission continues to encourage all to use the Town's Conservation areas for passive recreation such as hiking, biking and bird watching. The Police Department should be notified if the use of A.T.V. vehicles is noticed on these lands.

The Conservation Commission accepts both monetary donations as well as land donations in order to continue the preservation of our natural resources.

The Conservation Commission can be reached by dialing 508-865-5411 at the Municipal Office Building. The Clerk's hours are Monday through Friday 8:30 am – 2:30 pm. You can also visit the Town of Millbury website under the Conservation Commission to access contact information as well as other important information, links and forms.

The Commission meets regularly on the first and third Wednesday evening of each month beginning at 7:00 p.m. One meeting per month is generally scheduled in July and August. Comments and inquiries from the public are always welcome.

THE BOARD OF HEALTH

TO THE HONORABLE BOARD OF SELECTMEN AND CITIZENS OF MILLBURY:

We hereby submit our annual report for the year ending June 30, 2015.

A total of 12 meetings were held in Fiscal Year 2015. Attendance for the Board meetings were as follows:

Members:	Present	Absent
Armand O. White	9	3
Ronald J. Marlborough	12	0
James M. Morin	12	0
CMRPHA Staff	12	0

Public Health Preparedness

In 2003, the Public Health Emergency Preparedness Cooperative (CDC PHEP) grant of the US Centers for Disease Control and Prevention was announced, strengthening an emerging priority of health and medical preparedness for local Boards of Health across the nation. Since the inception of the CDC PHEP grant, the Region 2 Public Health Emergency Preparedness Coalition, a regional coalition of 74 communities in Central Massachusetts have been meeting twice per month to plan for major infectious disease events, such as an influenza pandemic. The Board has developed a plan in conjunction with Town Public Safety, Public Schools and Emergency Management officials, a system whereas local government has the ability to appropriately distribute/administer vaccines within 24 hours of a large scale infectious disease outbreak.

The Board of Health was able to host two seasonal flu clinics and vaccinated 256 people.

Tobacco Use

Cigarette Smoking

Mortality from lung cancer is 25 percent higher among males in Millbury compared to the state of Massachusetts. Mortality from lung cancer is 41 percent higher among females in Millbury compared to the state of Massachusetts. The rate of hospitalizations for lung cancer is 72 percent higher among females in Millbury compared to the state of Massachusetts. The rate of hospitalizations for lung cancer is not significantly different among males in Millbury compared to the state of Massachusetts. An estimated 1,898 smokers live in Millbury (19.3% of adults, age 18+). The adult smoking rate is 20 percent higher in Millbury than statewide (19.3% in Millbury compared to 16.1% statewide). The rate of smoking during pregnancy in Millbury is 35% higher than for the overall state of Massachusetts (10% in Millbury compared to 7.4% statewide).

THE BOARD OF HEALTH

MassHealth Tobacco Cessation Benefit

Since coverage of the tobacco cessation began in July 2006, 180 MassHealth smokers from Millbury have used the benefit - an estimated 62.5% of MassHealth smokers living in Millbury. Statewide, more than 75,000 MassHealth smokers (41%) have used the tobacco cessation benefit since July 2006.

QuitWorks

Health care providers referred 36 smokers living in Millbury to the QuitWorks program to help them quit smoking. In addition, 83 people from Millbury called the Massachusetts Smokers' Helpline to quit smoking (fiscal years 2004 to 2009).

Illegal Tobacco Sales to Minors

The rate of illegal sales to minors (those under age 18) is 44 percent lower in Millbury (4.5%) compared to the state of Massachusetts (8.1%) based on data from FY 2010.

Many tobacco products on the market appeal to youths. Some cigarette-sized cigars contain candy and fruit flavoring, such as strawberry and grape.

Many of the newest smokeless tobacco products do not require users to spit, and others dissolve like mints; these products include snus – a spitless, dry snuff packaged in a small teabag-like sachet and dissolvable strips and lozenges. Young people find these products appealing in part because they can be used without detection at school or other places where smoking is banned. However, these products cause and sustain nicotine addiction, and most youths who use them also smoke cigarettes.

Worcester Regional Tobacco Control Collaborative

Given these concerning statistics, the Millbury Board of Health entered into agreement with Worcester Regional Tobacco Control Collaborative (WRTCC) which is a collaborative of nineteen Boards of Health in Central Massachusetts, of which Worcester is the lead agency. The Town of Millbury and the following communities are served: Auburn, Boylston, Charlton, Dudley, Grafton, Holden, Leicester, Marlborough, Northborough, Oxford, Shrewsbury, Spencer, Southbridge, Sturbridge, Sutton, West Boylston, Webster and Worcester. This collaborative maintains the integrity and autonomy of its Board of Health members while the city provides assistance and guidance in all tobacco related issues.

The WRTCC is responsible for conducting youth access to tobacco compliance checks of all tobacco retail facilities in the nineteen cities and towns in the collaborative. In addition, the WRTCC conducts point of purchase audits for all communities within the collaborative and is also responsible for enforcing MGL 270, section 22, "Smoke Free Workplace Law." Nearly 600 fewer Massachusetts residents have died from heart attacks each year since legislators banned smoking in virtually all restaurants, bars and other workplaces.

THE BOARD OF HEALTH

Massachusetts law prohibits the sale of any tobacco products to those under the age of 18. Additionally, Massachusetts Attorney General's regulations require retailers to ask for photo identification from anyone attempting to purchase tobacco who appears to be under 27 years of age. The federal Synar amendment requires all states to conduct random, unannounced compliance checks with local retailers where underage youths may attempt to purchase tobacco. There is a direct correlation between the rates of youth access and the funding of programs that educate retailers and enforce the law. The impact has been recognized on the local level. Illegal sales of tobacco to minors fell by fifty percent in Massachusetts in Fiscal Year 2007 after funding was restored to local programs responsible for preventing youth from buying tobacco. Tobacco use by youth and young adults causes both immediate and long-term damage. One of the most serious health effects is nicotine addiction, which prolongs tobacco use and can lead to severe health consequences. The younger youth are when they start using tobacco, the more likely they'll be addicted.

Communicable Disease Surveillance

Infectious diseases constitute a continuing threat to the public's health. They cause illness, suffering, and death, and place an enormous financial burden on society. Although some infectious diseases have been controlled by modern technological advances, new diseases are still emerging. Under Massachusetts General Laws (MGL), Chapter 111, suspected and/or confirmed cases of diseases dangerous to the public's health are reportable to the local Board of Health and/or the Massachusetts Department of Public Health (MDPH). Reporting disease occurrences enables the public health staff to monitor trends, detect and control outbreaks, and evaluate prevention activities. Our public health nurse regularly collects important information on all reported diseases as part of routine epidemiological disease investigations. The following is a summary of reported diseases in Millbury 2014-2015:

Tuberculosis case management	36
Bacterial	3
Gastro-enteric	11
Hepatic	16
Respiratory	28
Vaccine Preventable	1
Zoonotic	32
Viral	2

Environmental Health

The Board monitors food offered for consumption to ensure it is wholesome, free from adulteration, properly labeled, identifiable, and manufactured at an approved source. All food establishments receive mandated inspections to determine compliance with the provisions contained within the Chapter X, of Minimum Sanitation Standards for Food Establishments.

THE BOARD OF HEALTH

The Board must also uphold and achieve compliance with the Massachusetts Sanitary Code, Minimum Standards of Fitness for Human Habitation. This program consists of responding to complaints, issuance of orders or citing violations with a focus on unkempt property, housing violations, rodent control issues, as well as investigations of any public health nuisance. The Board of Health has investigated more than 93 housing and nuisance complaints, of which agents have had to respond at least twice to each complaint, for the initial and then follow-up(s).

Regional Public Health Services:

In July 2011, the Town entered into a pilot agreement with the City of Worcester to provide supervisory, policy and inspectional services on behalf of the Millbury Board of Health. Simultaneously, the City of Worcester entered into similar inter-municipal agreements with the towns of Shrewsbury and Leicester to begin formulating a regional public health district. These successful collaborations demonstrated efficiencies in the public health system when like-minded communities work together towards a common goal. Larger public health systems (like what is being created) have efficiencies of scale and are better staffed, resulting in better performance and enhanced ability to address community health needs. Part of this past year's regionalization efforts were to continue to explore other municipalities that may be interested in these common goals in order to increase these economies of scale.

Then in December 2011, the City of Worcester working in partnership with the towns of Shrewsbury, Holden, Leicester, Millbury, and West Boylston was awarded a grant in the amount of \$325,000 over four years from the Massachusetts Department of Public Health to advance its ongoing regionalization efforts. Collectively, these Boards of Health will be known as the Central Massachusetts Regional Public Health Alliance and will service a population of 265,899 residents.

This grant will allow the "Alliance" to provide a range of public health functions and services for these six communities and to begin the development of a formal regional health department. Goals of the Alliance are to establish an accredited public health department that demonstrates cost-savings and efficiencies, and measures and monitors health status and risk to identify health priorities. Additionally, these funds will be used to address gaps in the capacities of health departments to protect and promote public health through food protection, sanitary code enforcement, disease prevention and response, and policies and programs aimed at smoking, obesity, health disparities, underage drinking, and other health threats.

Lastly, the Board is charged with enforcing various Massachusetts Department of Environmental Protection Regulations such as Title V and CMR 310 which includes septic plan review, air, water and noise nuisance control and hazardous materials control. Locally, there are numerous Town by-laws and Board of Health Regulations that the Board must ensure compliance with such as body art and tanning facilities.

The Board of Health upholds all code enforcements regarding Title V.

CENTRAL MA REGIONAL PUBLIC HEALTH ALLIANCE

Regional Public Health Services:

Millbury is part of seven city and town public health collaborative. It is called the Central Massachusetts Regional Public Health Alliance (CMRPHA) and includes the towns of Holden, Grafton, Leicester, Shrewsbury, West Boylston and the city of Worcester as lead agency. The CMRPHA provides a range of public health functions and services for the communities. The following services were provided to Millbury last fiscal year.

Environmental Health:

211 food inspections

2 food complaint inspections

29 housing inspections

65 nuisance complaint inspection

1 pool inspection

The CMRPHA Regional Public Health Specialist attended (RPHS) BOH meetings to update the members on work performed in the community. The annual Lions Club carnival, Felter's Mill and Chain of Lights events were also inspected. The RPHS was also available to respond to after hour emergencies throughout the year.

Emergency Preparedness:

Millbury is part of a 74 municipality Region 2 Public Health Emergency Preparedness Coalition. The coalition meets monthly to discuss annual deliverables and funding opportunities. Regional trainings and equipment purchases were discussed at the steering committee meetings.

The Worcester Regional Medical Reserve Corps (WRMRC) continued volunteer training and recruitment throughout the fiscal year. Millbury has 26 residents in the WRMRC volunteer database available to respond to events and emergencies. Orientation was held in Millbury for new MRC volunteers in September.

All MRC volunteers were asked to be put on standby for potential support of any Central MA towns on January 8/9 due to frigid temperatures.

On January 12th, the WRMRC and the Greater Grafton MRC held an event at the Elm St. Draught House in Millbury. The movie "World War Z" was screened for MRC volunteers.

An introduction to Sheltering Class was held at the Millbury Public Library for all MRC volunteers on February 7th.

CENTRAL MA REGIONAL PUBLIC HEALTH ALLIANCE

Community Health:

Significant data collection was conducted during the last fiscal year for the 2015 Community Health Assessment throughout the CMRPHA communities to assess the health needs and assets of the population. Community surveys, activities at community events, focus groups, and key informant interviews were conducted with the general public and key stakeholders. This information will be used to formulate the 2016 Community Health Improvement Plan (CHIP). The 2016 CHIP will outline the goals, objectives, and strategies to improve community health throughout the region for the next five years.

Worcester Regional Tobacco Control Collaborative:

The Worcester Regional Tobacco Control Collaborative (WRTCC) is a collaborative of nineteen Boards of Health in Central Massachusetts of which Worcester is the lead agency. This collaborative maintains the integrity and autonomy of its Board of Health while the city provides assistance and guidance in all tobacco related issues. The WRTCC conducts compliance checks for youth access and point of purchase audits for member towns.

The rate of illegal sales to minors is 44 percent lower in Millbury compared to the rest of the state based on data from FY 2012/2013. Many tobacco products on the market appeal to youth. There are a wide array of products that use flavor to attract youth. The flavors include cherry, grape, pineapple, apple, and bubble gum. In many convenience stores they are located near the candy and are at eye level.

FINANCE COMMITTEE

To the Honorable Board of Selectmen and the Citizens of the Town of Millbury,

I hereby submit the Annual Report of the Finance Committee for the fiscal year ending June 30, 2015.

The Finance Committee is charged with the consideration of all matters relating to the appropriation, borrowing and expenditure of money, the review of the Town budget and Warrant Articles, as well as other financial matters as they present themselves over the course of the year. The Committee also oversees the Reserve Fund, which is used as a supplement to approve budgets in the case of unforeseen, unbudgeted and unavoidable expenditures.

The Finance Committee holds numerous public meetings and hearings throughout the fiscal year with member terms running from July to June. Throughout the Fiscal year ending June 30, 2015, the Finance Committee met a total of 9 times.

The Finance Committee makes recommendations on each warrant article to the voters at Town Meeting. These recommendations are the product of numerous hours of discussion and deliberation with Town officials and department heads. Members of the Committee attend meetings of the Board of Selectmen and School Committee during the budget process to provide an overview of the Town's overall financial stability for the coming year.

The Finance Committee members for fiscal 2015 were as follows along with their attendance:

Name	Present	Absent
Michael O'Connor, Chairman	8	0
Stephen Hebert, Vice-Chairman	6	3
Jennifer O'Connell, Clerk	8	1
Albert Kupcinkas	9	0
Dan Girard	6	2
John Bartosiewicz	7	0

The Finance Committee Secretary is Sandra Gaspie and the salaries paid for Fiscal 2015 was \$536.00.

After the Annual Town Meeting, the Committee reorganized with Jennifer O'Connell being nominated as Chairman, Stephen Hebert as Vice-Chairman and Albert Kupcinkas as Clerk.

The members of the Finance Committee would like to thank the Town Manager, the Superintendent of Schools, the Finance Director as well as the department heads for their cooperation throughout the year.

Respectfully submitted,

Albert Kupcinkas, Clerk

Millbury Redevelopment Authority

To the Honorable Board of Selectmen, Town Manager, and the Citizens of Millbury:

The Millbury Redevelopment Authority was created at the annual Town Meeting on March 2, 1963, in Article 34 and 36, and is intended to be comprised of five members, four elected by the town and one appointed by the Governor's office.

The board held 9 regular meetings and 1 special meeting during FY15 and the attendance was as follows:

BOARD MEMBER	PRESENT	ABSENT
CHAIRMAN, WALTER K. SWENSON	10	0
VICE CHAIR, LEONARD F. MORT	10	0
TREASURER, ROBERT J. SIMMARANO	8	2
MEMBER, CHRISTINE VALERY	9	1

*Officers were elected during board re-organization in June of 2015.

Millbury Redevelopment Authority Mission:

The Millbury Redevelopment Authority exists to create opportunities to attract and sustain economic development that will revitalize Millbury's economy and cultural growth. The end goal is to realize a community that is more attractive and self-sufficient.

What is the Millbury Redevelopment Authority?

The Millbury Redevelopment Authority is a volunteer board charged with helping to facilitate economic development opportunities for the town. Board members are elected at Town Meeting for five year terms. As an independent board, the Millbury Redevelopment Authority is in a unique position to bring the public and private sectors together. The Millbury Redevelopment Authority also has broad powers that enable it to encourage new development and promote sound growth. The board is not bound by daily processes of a local town department but works on special projects that can be run by the town or a business. The Millbury Redevelopment Authority can participate in development, issue bonds, borrow money and receive grants and gifts.

Projects that are undertaken by the Millbury Redevelopment Authority are not funded with tax payer dollars, solely funded by donations, gifts of money or property, fund raisers, and the generosity of Millbury citizens, business's, developers, and other organizations that take pride in our community.

Urban Renewal Plan:

The Millbury Redevelopment Authority requires the development and approval of an Urban Renewal Plan to undertake specific projects. An Urban Renewal Plan is an approved redevelopment project by the state that grants the applicant that ability to pursue redevelopment and improvements of

substandard, decadent or open blighted areas as well as plan for future land use. The stringent application and process also goes thru public review and comment.

Once approved by the state, the plan provides the Authority the ability to:

- Establish rehabilitation/design standards
- Demolish and/or rehabilitate substandard structures
- Participate in real estate development and commercial revitalization
- Issue bonds, borrow money and invest funds
- Receive grants and loans
- Accept gifts or requests

Current Projects:

The Millbury Redevelopment Authority is currently involved in the following projects in town:

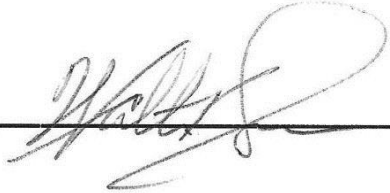

- Millbury Redevelopment Authority State Appointed Member
 - o The Millbury Redevelopment Authority has been challenged by the lack of appointments made by the state to town Redevelopment Authorities as well as the lack of candidates willing to undergo the scrutiny a state appointment requires. To this end, the Millbury Redevelopment Authority has begun the process to establish a change to current state laws using home rule petition to change the Millbury Redevelopment Authorities 5th seat from a state appointment to a locally elected, 5 year seat. To that end the board has completed the following:
 - Submission of a Warrant Article for the regular 2015 Town Meeting to require the selectman of Millbury to file the petition with the state legislature for this change.
 - This Article, through no fault of the Millbury Redevelopment Authority board, was left off the Regular Town Meeting Warrant and not presented to town citizens. A special town meeting will be requested through the board of selectmen or through a citizens petition to call a special town meeting.
- Social Media
 - o Established a Social Media presence to further educate the public on the mission of the Millbury Redevelopment Authority as well as to provide updates on various projects and fundraisers.
- Millbury Clock on the Common
 - o This project involves the purchase, installation and configuration of a Replica Howard 4-Dial clock (Made by General Time) on the lower common in conjunction with the Millbury Bicentennial Committee who will be installing a new Electronic Message Board in the same area.
- Fundraising
 - o The Millbury Redevelopment Authority has been involved in the following fundraisers over the past year:
 - The 2015 Clock-on-the-Common Cookout Raffle. This raffle included 3 prizes including a Gas Grill, Patio Set, and \$200 gift card to Goretti's Supermarket. The Gas Grill and Patio Set were purchased through a very generous donation from Ray's True Value of Millbury.

- Donation Mailer. This fundraiser was completed by sending flyers to town residents and businesses soliciting donations for the Clock on the Common project. This has resulted in approximately 130 donations received from Millbury citizens and businesses at this time.

Physical Inventory of the Millbury Redevelopment Authority:

- 1 – 10' x 10' Quest White Pop-up Canopy
- 1 – Metal Cash Box with Keys
- 1 – 9' x 96" MRA Red Vinyl Banner
- 2 – Digital 8' Cutout Replica Displays of the Clock
- 1 – Desktop Clock Replica

MILLBURY POLICE DEPARTMENT

MISSION STATEMENT

We are dedicated and committed to reducing crime, targeting quality of life issues and ensuring a safe environment for all. We will accomplish this mission through an enhanced, proactive, community based policing based strategy that focus on developing and strengthening partnerships, relationships and building mutual trust within the community.

To The Honorable Board of Selectmen and the Citizens of the Town of Millbury:

On behalf of the men and women of the Millbury Police Department and as your Interim Police Chief, it is my pleasure to present the Annual Report, Fiscal Year (FY) July 1, 2014 through June 30, 2015. The report includes information on the department's organizational structure and statistical data as it relates to calls for service and crime. Additionally, the report has information on departmental efforts, programs and accomplishments.

The members of the Millbury Police Department have proved that they are committed to reducing crime, targeting quality of life issues and ensuring a safe environment for all. We have accomplished this mission through an enhanced community based policing strategy that is focused on developing and strengthening relationships within the community and building mutual trust.

As the department proceeds forward, I would like to take a moment to thank the many chiefs who have served before me, as well as the men and women who have retired with honorable service to the police department, both civilian and sworn. I would also like to thank the present members of the police department for their continued dedication and commitment to serving this community.

I look forward to serving the citizens of Millbury and leading the department in proactive community based policing, modern technology and equipment, and keeping our officers adequately trained in best police practices so that they may continue to provide superior police services to residents and the general public.

Respectfully Submitted,

Donald P. Desorcy
Interim Chief of Police

MILLBURY POLICE DEPARTMENT

ORGANIZATIONAL ACCOMPLISHMENTS

- The department continues to maintain the prescription pill box located in the lobby of the Police Department for the community to dispose of unwanted and old prescription pills; no questions asked. This is available to the public 24 hours a day, 7 days a week.
- The department has two Officers who are instructors in CPR and First Aid; we will continue to offer free CPR training to the community;
- Two Officers continue to monitor the sex offender registration;
- The department has designated an Infectious Control Officer for the purposes of, but not limited to (1) receiving notifications of exposures to infectious diseases dangerous to the public health from health care facilities, and (2) notifying the indicated care provider(s) of an exposure to an infectious disease dangerous to the public health;
- A Sergeant has continued to serve as a member of the Central Massachusetts Law Enforcement Council Special Weapons & Tactics team (CEMLEC), maintaining the rigorous specialized training required by the team;
- In July 2014, an Officer was certified as a Drug Recognition Expert;
- The department has two Narcan Instructors; to continually combat the heroine epidemic in the Commonwealth;
- Through a school grant, one School Resource Officer (SRO) was assigned to Millbury Jr/Sr. High School and one assigned to both Elmwood Street Elementary School and Shaw Elementary School on a part-time basis from March 2015 thru June 2015.
- Staff from all (3) public schools have been trained in the school safety concept of ALICE (Alert, Lockdown, Inform, Counter, Evacuate). This was done through presentation and scenario based training.
- Officer Daniel Daly and K-9 Kenzo became certified in Narcotics detection.

MILLBURY POLICE DEPARTMENT

PERSONNEL SUMMARY

The department is moving forward with increasing staffing levels to better serve the growing community. We continue the plan to increase the department to the recommended level of 26 members over the next four years.

FY 2015 – PERSONNEL SUMMARY

Note: The department had personnel changes in FY 2015. A Lieutenant resigned in December 2014, and an Officer joined the department in October 2014.

TRAINING

During FY 2015, the Commonwealth of Massachusetts reinstated Municipal Police Training Council In-Service training for officers; all officers attended the required training.

With the In-Service Training requirement returning to MPTC, this allowed the department the opportunity to continue with an aggressive effort to provide a wide range of training to its officers and sergeants:

- Lieutenant completed the FBI-LEEDA Training. (Trilogy Award);
- All (3) Sergeants attended FBI- LEEDA (Law Enforcement Executive Development Association) Training;
- (2) Sergeants completed the 40 hour School Resource Officer Training
- We have two officers trained as instructors in administering Narcan and CPR/First Aid.
- There are presently (2) Level 1 Firearms Instructors;
- All of the police dispatchers and many of the sworn personnel are certified in emergency medical dispatch (EMD) procedures; our next focus in this area will be recertification.
- Officer trained as a taser instructor.

DEPARTMENT STATISTICS

The Department, through the computer dispatch and records system, compiles various data resulting from: arrests, accidents, citations, incidents/investigations, and summonses. The database contains both criminal and non-criminal statistics. Data related to criminal offenses or incidents is reported to the Massachusetts State Police and FBI under the National Incident-Based Reporting System (NIBRS). This category of crime statistics is more commonly known as incident-based reporting (IBR) offenses and represents a general summary of crime data.

MILLBURY POLICE DEPARTMENT

NIBRS/IBR OFFENSES

The following are crime totals which were reported to the FBI under the Incident-Based Reporting (IBR) system during the period of 7/1/2014 - 06/30/2015. There were a total of 1004 reportable crimes under the specific compilation of data as reportable under IBRS:

General Activity

A more specific compilation of data, (not all of which is reportable under NIBRS), results from the combination of the following: arrests, accidents, calls for service, citations, incidents / investigations, and summonses. The statistics below represent data from the FY's 2012, 2013, 2014, and 2015. The statistics below list the yearly activity totals within the entire town.

Calls for Service

Calls for service are the calls generated which make up the daily police log. A call may come in by phone, E911, the radio, or someone walking into the lobby of police headquarters. Calls for service, even if it does not involve a crime, can be time consuming for both the officer and dispatcher, as citizens may have police or records related questions. The overall yearly calls (including the mall) have remained fairly consistent over the past few years. Arrests and incident reports declined slightly during 2014; criminal complaints which result from a call for service remained fairly consistent from 2013 to 2014. A "No Trespassing" policy in 2010 assisted in the reduction of calls at the mall.

CALLS FOR SERVICE	
Yearly Activity (Town wide)	
Year	Yearly Calls
FY 2012	11,599
FY 2013	10930
FY 2014	12,392
FY 2015	11,464

Arrests, Incidents, Criminal Complaints

Arrests statistics are compiled based on in-custody arrests. In other words, an arrest number is assigned when a person is taken into physical custody, booked, and bailed or transported to court. There were 182 arrests during FY 2015. Over the course of the last four years, the number of arrests has ranged from 202-236. During FY 2015 arrests were down 23%.

ARRESTS	
Yearly Statistics (Town wide)	
Year	Yearly Arrests
FY 2012	236
FY 2013	202
FY 2014	235
FY 2015	182

MILLBURY POLICE DEPARTMENT

Incident reports, commonly referred to as investigations, are generated for a variety of different activities. The activities range from, but are not limited to the following: documentation of a non-criminal event, an incident causing serious injury or death, suspicious activity, criminal activity with no suspect or where the victim chooses not to pursue charges or a crime with an identifiable suspect. If the investigation results in a crime with identifiable charges, and/or sufficient probable cause exist to substantiate the charge, officers complete a criminal complaint/summons.

There were 593 incident reports completed in FY 2015. Over the course of the last three years, the number of incidents has ranged from 611 – 668. During 2015 incidents decreased by 3%.

If charges are warranted as a result of an incident report, a criminal complaint/summons or arrest is the method used to present charges in court. Often the complaint method is the procedure used to charge a person with a crime, rather than an arrest. This may be due to a combination of factors including: the charge not permitting an arrest by statute, officer discretion based on the person's record, and the present activity and staffing level during the shift at the time.

There were 185 complaints issued in FY 2015. The number ranged from 183 - 358 during the last four years. Complaints remained fairly consistent from FY 2014 to FY 2015.

REVENUE

Money collected from permits, fees, reimbursements, donations, and inspections totaled \$21,854.92 for the period of July 1, 2014 to June 30, 2015. This included \$3,400 for services rendered on the Massachusetts Turnpike; \$700 in false fire alarms, and \$2,560 in donations. There were 214 open burning permits sold at \$10 each and 15 Agricultural Permits issued at no charge during the 2015 burning season. All fees are turned in weekly to the Treasurer/Collector's Office.

The Fire Department received \$2,560 in donations from: the family of Irene Hamilton, Millbury Savings Bank, Ms. Barbara Higgins, Mr. & Mrs. Warren Gardner, and Mr. & Mrs. Tom Boyda. We appreciate their generosity.

DEPARTMENT TRAINING

There were 55 training sessions conducted this year. Training included but was not limited to the following: Special RIT training and self-rescue, Driver Training, Search & Rescue, Pump Operations, Foam Training, Vehicle Extrication, Containment and Fire Suppression, Haz-Mat

MILLBURY FIRE DEPARTMENT

Training, Open Water & Ice Rescue Training, CPR & First Responder Certification, and tours of local businesses.

The Department of Fire Services adopted a new statewide fire code. 527 CMR 1.00 Massachusetts Comprehensive Fire Safety Code went into effect on January 1, 2015. While the new code was based on NFPA 1, Massachusetts had several exceptions to the national code. In preparation for this, our inspectors took several training classes to be able to properly enforce the codes and conduct inspections. Our inspectors also took and passed training classes offered by the Mass. Firefighting Academy and are now certified as Fire Prevention Officers-Basic. Asst. Chief Hamilton went one step further and completed the next level and is now certified as Fire Prevention Officer I.

Many of our firefighters take training classes at the Massachusetts Firefighting Academy. Using their own time, they want to better themselves and become better firefighters. This year was no exception. Members completed classes in: haz-mat training, pump hydraulics, incident safety, ethanol incidents, and rapid intervention training.

The Fire Department sent Recruit Joseph DeAngelis to the Massachusetts Firefighting Academy's Call/Volunteer Training Program. He successfully completed a demanding 20-week course. Classes were held every Tuesday and Thursday evenings for three hours and every Saturday for approximately four to six hours. FF. DeAngelis graduated on December 30, 2014 and was appointed as a regular effective 1/1/15. The Board of Fire Engineers commends FF. DeAngelis for his dedication to the program and welcomes him to the Fire Department.

FIRE PREVENTION

Asst. Chief Richard Hamilton headed up the fire prevention program with the assistance of retired Asst. Chief Jeffrey Dore. The fire department visited the Elmwood Street School, R.E. Shaw School, Assumption School, and many of the local nursery schools to present the S.A.F.E. program. Firefighters assisted by demonstrating gear and equipment. The long tradition of bringing a fire truck to the schools continued- to the delight of students and staff. A safety program was presented at Millbury's Senior Center. It was geared towards our senior residents and focused on cooking safety, smoke detectors, and fire prevention ideas.

Asst. Chief Hamilton in partnership with Papa Gino's organized an Open House that was held at Fire Headquarters. Free pizza and plenty of fire prevention materials were available. The event was well attended and guests got to meet our firefighters and see our fleet.

Asst. Chief Robert Silver completed the S.A.F.E. training class and is now certified as a Life Safety Educator. He will be a great asset to the Department's fire prevention program.

WAGES

The following is a list of personnel who received wages from the Fire Department during fiscal year July 1, 2014 through June 30, 2015: (NOTE: these figures are for earnings from the Fire Department only and do not include wages earned in other municipal departments.)

ACCOMPLISHMENTS

Under the guidance of Asst. Chief Richard Hamilton and Asst. Chief Robert Silver, Explorer Post #13 continues to thrive. The Explorers participated in the Winter Klondike at Treasure Valley. They participated in the fireman's muster in New Hampshire and assisted with the many appearances and events that the fire department is involved with. The group also responds with the Ladies Auxiliary to help out at large fires or incidents. They responded to an incident in Sutton to assist with clean up and hose rolling. A number of parents, firefighters, and retired firefighters help with the training and guidance of these young people. The Explorers have become an asset to the Millbury Fire Department.

FF. Tom LaVallee was appointed as the new driver training coordinator. Along with Capt. Brock, the two will continue to provide driver training to our new members. The training is based on the most current emergency driving program available and involves eight-hours of classroom instruction, on-road training, and a competency driving test. We appreciate the involvement of both men in training our rookies.

Despite the best efforts of Asst. Chief Richard Hamilton, the Fire Department was not awarded an *Assistance to Firefighters Grant* (AFG) for the replacement of our self-contained breathing apparatus (SCBA). The Board of Fire Engineers placed an Article on the Annual Town Meeting in May, 2014 which was approved by the residents of Millbury. The Town went out to bid for the replacement of the SCBA's in December, 2014 and Firematic was awarded the contract. The new units should be placed into service during the summer. We appreciate the support the townspeople continue to show to the Fire Department. And, we again need to thank the family of Tom Stratford for the generous donation they made to the Town for the purpose of helping to purchase this equipment.

A very special thank-you should be given to the family of Irene Hamilton. Mrs. Hamilton was the mother of Asst. Chief Richard Hamilton. She passed away in October, 2014 and the family

MILLBURY FIRE DEPARTMENT

requested that, in lieu of flowers, donations be made to the Millbury Fire Department. On behalf of all firefighters, we appreciate the family's generosity and thank them for donations that benefit not only us, but the entire Town.

The Public Safety Building Sighting Committee's request to purchase land for a new building was not approved at the annual elections or at Town Meeting. The Committee plans to reorganize and continue to pursue a new public safety building for the police and fire departments. The replacement of Fire Headquarters is long overdue, and we hope we can count on your support when the time comes.

SUMMARY

The following colleagues answered their last alarm during the last fiscal year: retired Asst. Chief John S. Donnelly, Jr.; retired Captain Robert Gosselin; and retired Lieutenant Francis Beaudoin. All were dedicated members who will be missed.

Asst. Chief Raymond E. Hobin, Jr. retired on March 31, 2015 after 36-years with the Fire Department. "Skip" wore many hats during his service. He was the training officer for the Department and conducted recruit training for a number of years. He did pump training and "right-to-know" instruction for the department. In 1999, he was appointed to lead Station 3 when the captain moved to the Board of Fire Engineers. As company captain, Ray stepped in and helped to keep the station focused during a difficult transition. He was promoted to Asst. Chief in May, 2012 and his expertise and leadership will be missed. We wish you a long happy retirement.

The Ladies Auxiliary continues to be a great partner. They are always willing to lend a hand whenever asked. They conducted meat raffles to raise funds for the fire department, held car washes, packed goodie bags for Fire Prevention Week, served pizza and soda at our Open House, and helped with other events that benefit the Fire Department. They also provided food and dry clothing during the blizzards and severe weather this past winter. We appreciate all they do for us and with us.

In closing, a thank-you should be given to Regina Markey, the Board of Selectmen, the Town Manager, and all town departments for their help and continuing support. A special thank you goes out to our dispatchers, police officers, and police chief who send us where we are needed and look over us as we work.

Last but certainly not least, the true backbone of the Department-the chiefs, captains, lieutenants, firefighters, and recruits. Thank you for the outstanding job you do. You serve this Department and your community with dignity and pride. These individuals are what make the Millbury Fire Department "the best of the best"- the townspeople should be proud of them!

Respectfully,

David J. Rudge
Fire Chief

The Council on Aging office, Senior Center and Drop in lounge are located at 1 River Street. We are in our 42st year serving those 60 years and older.

The days and hours of operation are as follows: Monday through Friday 8:00 A.M. to 4:30 P.M., and Wednesday evening from 5:30 P.M. to 8:30 P.M. The Town's elder population is 3,166.

The following programs and services are being offered:

Intergenerational Programs (Helping Hands, M.O.V.E. Program), Computer Classes, Socialization (cards, bingo, & games) Information, Referral and Client Advocacy, Fuel Assistance Program, Legal Aid, AARP Free Tax Program, Periodical Informational/Educational Programs, Friendly Visitors Program, Day trips, and Evening Activities.

Nutrition Program: Through a grant from Elder Services of Worcester, we provide a hot lunch program at the Senior Center, Monday thru Friday at 12 noon. We delivered approximately 75 meals per day to the homebound. We provided a total of 12,081 congregate meals and 13,510 home delivered meals. We also deliver holiday, snow days and evening meals to those who qualify. The sponsor for our MOW Drivers is the Millbury Savings Bank.

Our health services include: Podiatrist Clinic, Health Education Clinic, Hearing Aid Clinic; Osteoporosis Forums, Flu Shot Clinic, along with our weekly Stay Well Clinic, Exercise Classes, Yoga, Tai Chi and Zumba Gold are also offered.

COUNCIL ON AGING

Social Activities; There are many social activities that the Council on Aging provides: Cards, bingo, crafts, walking club, sing-a-long, whist, craft store, movies, and Wii bowling, Bridge and monthly birthday parties. Summer concerts were provided in the garden, by our major sponsors Mike and Lucille Maguire with Selectmen Fran King co-sponsoring one.

We also worked with the Blackstone Valley Tourism to encourage more events such as the “Chain of Lights”. Our evening activities and weekend events are extremely successful and it gives the younger elder population some wonderful things to do and to keep them active.

We also provide day and over night trips, other miscellaneous activities that take place away from the Center. These are done through the efforts of the Friends of the Millbury Seniors Inc.

Transportation: Through the efforts of the Friends of the Millbury Seniors they provided during the past year *13,408* one way rides to the elderly and handicapped of Millbury. The service also, provides rides for all ADA Clients, (Americans with Disabilities). The service area is one town out in each direction (Auburn, Grafton, Sutton and Worcester), and have added a new service with Towns Without Borders, to Whitinsville, Northbridge, and Shrewsbury. The “Friends” hold the contract with the WRTA to supply the transportation services to the Town. They also received a Freedom Grant in the amount of \$8,000 for transportation services beyond ADA.

Grants Received: The Council on Aging was successful in obtaining several grants, this past year. They were \$23,152.00 from the Executive Office of Elder Affairs for program services for year 2015 at the Senior Center, \$25,000.00 from Millbury Savings Bank for a Fuel Assistance program. Through the effort of our Friends of the Millbury Seniors, they are also providing the funding for the plantings and upkeep of the Victorian Garden. The “Friends” group is the sole support of the Transportation Program that also maintains the mandatory ADA service which the Town is required to provide.

The COA is the Co-sponsor with the Board of Selectmen for the Elder Community Work Off Program. Currently we have 24 individuals working in 12 Town Departments. The warrant article was for \$20,000 allowing individuals to earn up to \$1,500 in credits on the property tax bill for a fiscal year.

To the staff: A sincere thanks for doing outstanding jobs and implementing the programs and services at the Senior Center. Special thanks to all the wonderful volunteers who do an outstanding job at a whole variety of different things, we are *112* strong.

The Council on Aging Board and I sincerely thank all Town Departments, Town Agencies, Churches, Merchants, Civic Groups and all the Townspeople for their continued support.

Respectfully submitted

Judith A. O'Connor, Director

BOSTON POST CANE

The Chair of the Millbury Board of Selectmen and the Director of the Council on Aging or his/her designee shall present Millbury's oldest resident with a plaque and lapel pin signifying the honor and shall cause the name of the honoree to be inscribed on a plaque to be displayed along with the original Boston Post Cane at the Millbury Town Hall, as well as a picture of the recipient and a brief biography. There shall also be certificates awarded honoring those residents who are 90 years old or older and meet the residency requirements.

The location of the presentation will be determined according to the circumstances of the honoree. A Committee consisting of the Town Clerk, the COA's Executive Director and the Selectmen Designee to review each year the status of the oldest resident. This would be done on the anniversary of the date given. Each year an announcement would appear in the paper and or on Cable TV stating who the current oldest Millbury resident is.

The recipient will retain this honor as long as he/she remains in Millbury even though another resident may become eligible. The Town Clerk's Office must be notified if the recipient of the Boston Post Cane dies, changes residency outside the Town of Millbury, is in rehabilitation for longer than 90 days or otherwise refuses or returns the honor. If the decision is made to no longer display the Boston Post Cane at the Town Hall, it would be placed in the custody of the Millbury Historical Society.

This year's recipient is Florence James. Florence turned 103 on June 2nd, 2015. She was born in 1912.

MILLBURY HOUSING AUTHORITY

The Millbury Housing Authority hereby presents the annual report for the fiscal year ending September 30, 2015.

This annual report dedicated to the memory of Barbara Blavackas former Chair and member of the Millbury Housing Authority Board of Commissioners serving from 1994-2014.

Janet Cassidy, who has been the Executive Director of the Authority for the past twenty-three years, retired effective October 27, 2014, although she continued to work part-time for an additional six months to help with the transition of Carol A. Smith who was hired as the new Executive Director. Janet was a tireless and relentless advocate for housing, and the tenants being assisted by the Millbury Housing Authority. She will be missed, and her shoes will be impossible to fill. I want to thank her for leaving a staff of extremely knowledgeable and dedicated people who have made my transition much easier. I also want to thank the tenants of the Millbury Housing Authority, and the various Town employees who have shown patience and understanding as I traverse the ins and outs of the position.

Thank you Janet Cassidy for who you are and all that you have done.

CHAPTER 200-1

The Chapter 200-1 Program consists of twenty-five Cape Cod houses located on Memorial Drive. These houses were originally built to house veterans after World War II. While veterans are given a preference under this program, the units also provide safe, decent, sanitary housing at affordable rents for families of low income regardless of veteran status. The units continue to be completely occupied.

The Housing Authority pays a designated fee “in lieu of taxes” on these properties and pays the ongoing rate designated for sewer usage.

CHAPTER 705

The Housing Authority currently houses eleven low-income families under this program. Five families are housed in the scattered site properties owned by the Housing Authority and six families live in a three duplex site located on Burbank Street.

The Housing Authority pays sewerage use and real estate taxes on all of its 705 properties.

MRVP PROGRAM

At the end of September 2014 there were three individuals or families participating in the Massachusetts Rental Voucher Program. Participants in this program are entitled to a fixed voucher payment, made directly to their landlord. The voucher payment is based on the household size, income, composition and the geographical location of the rental unit. These vouchers continue to be mobile allowing participants to use the vouchers anywhere in the state.

MILLBURY HOUSING AUTHORITY

CHAPTER 667-C

This program is made up of one hundred forty-six units of low income housing for the elderly and handicapped. Thirty-two of the units are located on Pearl Street, sixty units are located on Colonial Drive and another fifty- four units are located at 95 Elm Street. All units continue to be fully occupied.

CHAPTER 667-4

The Chapter 667-4, Congregate Housing Program, located on Colonial Drive, consists of five apartments with a total of twenty-three bedrooms. This program is designed to provide affordable housing together with supportive social and health services to help individuals maintain independent living and prevent early and unnecessary rest home or nursing home placement. It provides companionship yet offers privacy to its participants.

A separate application must be filed for this program. Applicants must first meet the same financial and age requirements as our conventional housing programs to be eligible. For an application or program information, call the Millbury Housing Authority at 508-865-2660 or Lisa Bennes, Congregate Coordinator, at 508-865-2960.

The Millbury Housing Authority continues to act as sponsor for the Congregate Housing Program under a grant from the Executive Office of Elder Affairs.

MAINTENANCE

Our maintenance program involves maintenance of forty-four buildings that include one hundred eighty-nine apartments. Housing Authority maintenance personnel maintain the common areas, grounds and parking lots in our elderly developments. Families in single or duplex housing units maintain their own grounds.

Our maintenance staff consists of three full-time positions: Thomas Austin, Michael Michalak, Sr., and Michael Murray. The dedication and excellent work performance of our maintenance department is reflected in the condition of the Housing Authority's properties.

ADMINISTRATION

Management and maintenance of all Housing Authority programs and properties is administered by the Executive Director and approved by the Board of Directors. The Housing Authority address is 89 Elm Street, Millbury, MA. Office hours are 8:00AM to 3:30PM, closed for lunch from 12:00PM to 1:00PM, Monday through Friday.

The administrative staff consists of four (4) full-time employees: Administrative Assistant, Judith Flynn; Congregate and Housing Service Manager, Lisa Bennes; Maintenance Program Manager, Carol Morse and Executive Director, Carol A. Smith.

ASA WATERS MANSION TASK FORCE

To the Honorable Board of Selectmen, Town Manager, and the Citizens of Millbury:

We hereby submit our Annual Report for the fiscal year of July 1, 2014 through June 30, 2015.

The Asa Waters Mansion continues to be the heart of this community as it was the focal point for the numerous community events and civic gatherings. In addition to hosting many rental functions such as weddings and private events, we are happy to host numerous gratis events such as our annual Chain of Lights Festival, school tours, prom pictures, flu clinics, regional selectmen's symposiums, along with being the location for many community meetings. Numerous special events and programs were hosted throughout the year including our annual Christmas tea, historical programs such as a "General Lafayette" Tea, and fundraising shopping events such as participating in Millbury's first "Small Business Saturday."

During the course of this fiscal year we once again worked with the Friends of the Asa Waters Mansion to fund many preservation projects for this historical site, most notably we were able to finance another zone of central air conditioning via fund raisers and donations. We continue to work aggressively on energy savings by utilizing low energy bulbs and energy efficient lighting fixtures wherever possible, and we were pleased to receive a grant to assist with attic insulation in the back ell of the Mansion.

Through their efforts the Friends of the Asa Waters Mansion once again contributed to the beautification of the Mansion including the grounds and gardens. The Friends of the Asa Waters Mansion continued their long time commitment of generously volunteering their time to staff bereavement receptions this past year as a service to their community.

Our Director, Catherine Elliott, remains active in aggressively promoting the Mansion into new markets. She continues to be involved with the Blackstone Valley Chamber of Commerce Tourism Association and the Worcester Convention and Visitors Bureau. Our Director also works in close partnership with the Blackstone River Valley National Heritage Corridor and National Park Service to promote the Mansion for its historical integrity. During this past year we benefited from social media by creating a Face Book business page and a Pinterest site to showcase the Mansion's attributes.

Through all the growth and increased activity we continue to adhere to our unwavering goal of allowing Millbury Community Service Organizations to utilize the Mansion free of charge. We are pleased that at least one half of the Mansion's utilization continues to be gratis for town organizations. We are proud to have the Millbury Women's Club and the Millbury Historical Society utilize the Mansion as their headquarters.

The Asa Waters Task Force and the Friends of the Asa Waters Mansion collectively work together to keep the Mansion a treasure for the Town of Millbury. We thank the citizens and business community for their continued support of our endeavor in "watching an old building with care."

PUBLIC ACCESS CABLE TELEVISION ADVISORY COMMITTEE

To the Honorable Board of Selectmen, Town Manager, and Citizens of Millbury:

The Millbury Public Access Cable Television Advisory Committee works with Charter Communications and Verizon Communications to establish improve and maintain cable services to residents. The committee posts and updates notices on the community bulletin board. Channel 191 Government, 192 Education, and 194 Public for Charter Customers and Channels 24 Education, 26 Government, 28 Public for Verizon Customers. Millbury Public Access is funded solely by grants from Charter and Verizon; we do not use tax money to fund our organization.

The committee is comprised of seven members and one associate member. They are as follows:

Mary Krumsiek, Chairman
Frank Irr, Vice Chair
Robert Sullivan, Clerk
Paul DiCicco, Member
Roger Desrosiers, Member
Jeffrey Dore, Member
Richard Carew, Member

Public Access Television, also known as local origination programming, is a place where ordinary people can create content which is broadcast or cablecast through our cable systems. It is a First Amendment forum, where, the producer holds editorial control. Any Resident may have a program aired on a public access channel.

We are proud to continue to bring you our original programming, Such as:

An Evening with Senator Moore
Celebrity Reader
Get Out
Local Rock
On the Light Side
Puzzled Parents
And Yesterday, Today and Tomorrow

Millbury Public Access continues to bring you all of your favorite Government meetings, such as:

Board of Selectmen, Planning Board, School Committee, Conservation
Commission, Redevelopment Authority, Board of Appeals, Cemetery
Commission, and Sewer Commission,

Just to name a few.

Educational Access Television is set aside to fulfill the needs of the School District. We televise School Committee Meetings (when scheduled) and many productions produced

PUBLIC ACCESS CABLE TELEVISION ADVISORY COMMITTEE

by High School Students, which gives residents a chance to see inside the walls of the High School and gives a better understanding of what kinds of events happen during the school year.

Governmental Access Television is a resource of our town hall/municipality. This channel is available to residents to post announcements, or meeting notices, and this is where you will find LIVE Government Meetings.

We continue to offer Free Studio Tours and FREE Production Classes for any resident 18 years or older who wishes to get involved in public access. Studio time is available on a first come, first serve basis to any non-profit organization, which is looking for new members or to promote an event they are having.

Millbury Public Access runs on volunteer power the more volunteers we have the more events we can cover. We can't stress enough how much we need volunteers. To become a volunteer or to create your own TV show residents 18 and older are invited to take our Free 8 week training course. Upon completion, you are considered an active producer and you are then able to use the studio and equipment based on availability.

We welcome input from the public and access producers – all are invited to attend our monthly meetings or to contact us. The Committee meets monthly (usually the third Thursday) and meetings are always posted at the Town Hall.

Please feel free to contact us at 127 Elm Street, Millbury, MA 01527; or email the Access Director at wmpa13@townofmillbury.net. We can also be reached by phone at 508-865-0847.

You too can become a local celebrity and have a television show of your very own. If that isn't your thing you can volunteer to work on one of our current shows as a Camera Person, Director, Audio Engineer, or Editor.

Respectfully,

Kevin Krassopoulos, Public Access Director

BUTLER FARM RE-USE COMMITTEE

To the Honorable Board of Selectmen and the Citizens of the Town of Millbury, we respectfully submit our Annual Report for the fiscal year ending July 31, 2015.

The Butler Farm Re-Use Committee would once again like to thank the many people who have supported us over the past year.

The committee members are as follows:

Victor Irr, Chairman
Fran King, Vice Chairman
Karen Bott, Clerk
Bob Hiser
Mary Krumsiek
Phil Miles
Brad Turner
Bill Berthiaume, Alternate

Accomplishments of The Butler Farm Re-use Committee during fiscal year 2014 - 2015:

1. Maintenance to the property included removal of the tree behind the garage and at the bottom of the driveway. A stump was left from the tree behind the garage in hopes that the honeybee hive would return in the future. Mowing and landscaping has been done by Ethan Bott, Joseph Bott, and committee members Bob Hiser and Mary Krumsiek.
2. Boy Scout Pack 108 used the Butler Farm property for a fall meeting and pumpkin chucking event.
3. The construction of the Butler Farm dog park began in October in the upper meadow.
4. A work day was held on 6/13/15. The areas around the house and garage were cleaned and debris removed. Members of the Butler farm committee, Ben Miles, Fran Najemy, Fran McKeon, Gerry Latour, and Greg William assisted in the clean up of the property. A great deal of work was done in a small amount of time with the dedication from these volunteers.
5. The Community Garden was fully occupied. The St Brigid's CYC headed by Greg Bernard planted and maintained two plots. The produce was donated to the Senior Center Food Pantry. By utilizing the water line that was run to the dog park, another water faucet was added by Fran King at the top left of the garden. Again, we would like to thank Vin Andresano for tilling the garden this spring and Emily Bott for her assistance with marking the plots in the garden.
6. Ernie Bernard is continuing to maintain the sitting area by Singletary Lake across from The Butler Farm driveway. He has planted grass, added some more shrubs, and is mowing.

THE YOUTH COMMISSION

The Millbury Youth Commission has been busy since we formed in December of 2012. With starting slow in 2013 by hosting monopoly game night, bike rodeo and celebrity softball game to having our Millbury Youth Group Center which kids in grade 3 to grade 8 comes and enjoy 3 hours of playing pool, air hockey, ping pong, foosball and in the gym soccer, basketball and dodge ball all taken place at the McGrath Educational Center.

In 2014 the Millbury Youth Commission has joined up with Millbury Brainy Bunch Destination Imagination to host a Valentine's Day Dance for grade 3 to grade 8. The dance drew over 180 kids wearing formal attire and to show their support for these smart young kids. All money that was raised that night has been donated back to the Millbury Youth Group Center for new games for the kids to have fun with. With their experience in hosting this dance they took that to place 9th over 69 in the world finals down in Tennessee.

In April we hosted a "Boston Dance" which over 140 kids wore New England sport shirts or jersey's to support our teams and to show support of the Boston Marathon. Money which was raised from entrance into the dance went to a local resident Jaimie Gosselin for her donation to Boston Marathon Association to receive a number to run in the Boston Marathon.

In June we hosted a "Hawaiian Luau" dance for the end of school year. Having over 200 kids enjoying an outdoor dance was amazing seeing them dress in the attire of Hawaiian outfits and the fun being under the stars. Entrance of this dance raise went to the Millbury Destination Imagination Brainy Group for their start of fundraising for the 2014 / 2015 school year activity. Also in June we hosted a Celebrity Softball game which included local Disc Jockeys from our local radio stations and local residents having a great time playing 7 innings of great softball from both sides. This day included our own Senator Mike Moore. They are all looking forward to play in 2015. This was a free family event.

In July we were fortunate to get the Boston Red Sox World Series Trophies for all to see. To have these three trophies and a good turnout from our residents made for a once in a lifetime opportunity.

In August the committee takes a break from Friday nights to enjoy the summer with returning in September to have a "Back to School Dance" and have scheduled many more activities for the rest of 2014 such as Movie Night, Learning the Art of Pin Stripping with Lenny Mort, Halloween Dance, Christmas Dance and much more.

The Millbury Youth Commission is made up of volunteers and with that we do require parents to assist us on these Friday nights and special occasions.

Anyone who would like to get involve with the Commission please contact us.

We could use new ideas and the only way to give those ideas is to get involved.

Any questions you can reach me at 508-981-9499 or timcluett@hotmail.com and to see our Youth Group Center photos please visit <http://www.facebook.com/groups/millburyyouthgroup>

Sincerely,
Timothy S. Cluett
Chairman Millbury Youth Commission

SCHOOL COMMITTEE

First and foremost, the Millbury School Committee wishes to extend sincere thanks to all of the stakeholders in the public school district of Millbury. Without the support and dedication of the various members of our community, we would not have the school system we have today. In the Superintendent's report that follows, you will read how community partners came together combining resources to support and expand our Advanced Placement program at the Jr./Sr. High School.

Going forward, the Committee and the District will be seeking community support as we begin the process of refurbishing/rebuilding the Raymond E. Shaw Elementary School. The R.E. Shaw School, constructed in 1975, was initially built to function as a Junior High School. Vestiges of that era are still present in the school today. As time has passed, we find that we have outgrown and outlived the functionality of the building. There is constant maintenance, ongoing and costly repairs, and the renovation of space to meet the demands of educating our students today. The second major project the Committee has endorsed is the re-organization of the District's athletic fields. This process will bring our athletic facilities up to 2015 standards, reorganize the use of the available land we have for greater efficiency, and provide our student-athletes with adequate and safe facilities so that they may perfect their skills and achieve success. Completion of both projects will benefit the greater community as the school buildings and athletic fields are some of the most heavily used assets owned by the Town of Millbury.

You will read in the following Report of the Superintendent how the Millbury Public School District has accomplished a significant number of achievements, including our 2013-2015 District-Wide Initiatives.

With the continuing support of the community demonstrated at town meeting this past year, we were able to include a new position to the school district, that of School Resource Officer (SRO). As we live in an ever-more complicated world, the addition of an SRO to implement safety programs – from drug and alcohol awareness to best practices in school safety – is important to today's students and faculty. As well, the SRO becomes an important resource for students who may find themselves in difficult times.

The success of the Millbury Public Schools can only be achieved with your positive involvement and active participation. On behalf of the District, please accept my sincere thanks for your continued support!

Respectfully submitted,

Jennifer Nietupski,
School Committee Chairperson

SUPERINTENDENT

I am pleased to report on the 2014-2015 activities and accomplishments of the Millbury Public Schools, its faculty, staff, and students.

The year was busy as the school district continued its work on both short-term and long-range goals to meet the needs of all students. Teachers and administrators have worked collaboratively to implement the Department of Elementary and Secondary Education's evaluation process in a genuine and meaningful way, allowing all educators to focus on improving the quality of teaching and learning and improving student academic performance.

Each of the 2013-2015 District-Wide Initiatives, which were accepted by the School Committee at their September 11, 2013 meeting, has been successfully achieved.

- *Implement the first year of the Millbury three-year Technology Plan as submitted to and approved by DESE*
- *Analyze student assessment data, as well as evaluate educator, school and district performance as a means to improve student learning outcomes and the quality of instruction in every classroom*
- *Integrate Common Core Standards in order for students to gain knowledge in Mathematics and English Language Arts, to transfer this knowledge to Career Readiness at all grade levels, and to increase the number of students ranking Proficient and Advanced in all subgroups, Special Education, ELL and low income on MCAS*
- *Provide high quality professional development to all staff*
- *Implement Year 2 of the Millbury Educator Evaluation System*
- *Continue to improve communication with and outreach to all stakeholders including families, community members, colleagues and between schools*

While these initiatives have been successfully met, there is still much work to do. The District will continue its efforts to engage all families in the education of their children, increase student achievement, support and improve teaching and learning in the classroom, address critical facilities and technology needs, and enhance the safety of our students and employees. The District's Goals and Initiatives for the coming three years, which will be developed collaboratively with teachers, administrators, and the School Committee, will reflect these priorities.

We are committed to maintaining adequate funding for a wide range of 21st Century technology in order to prepare our students to be successful and responsible digital citizens. Our technology must be sufficient to not only deliver an increasingly rigorous and varied curriculum, but to enhance and expand high-quality teaching and deeper learning throughout our District. In addition, it is critical that we maintain the technology necessary in every grade to comply with the Commonwealth's mandated online testing protocols.

The District conducted an extensive review of its safety procedures during the 2014-2015 school year. This information was used to develop a multi-year action plan to address critical needs. As a first step, the District worked very closely with the Millbury Police Department to provide ALICE training to all staff. The ALICE protocol (Alert, Lockdown, Inform, Counter, and Evacuate) has been widely embraced as a best practice in schools throughout the Commonwealth.

SUPERINTENDENT

and represents a significant and positive improvement to our school safety. Thanks to the Safe Schools Grant from the Commonwealth of Massachusetts, each of our schools now has state-of-the-art handheld radios that provide direct, two-way communication with the Millbury Police Department. In addition, the grant allowed us to equip each classroom with an emergency “Go-Kit,” containing important materials to assist teachers and students in the event of an emergency, and we were able to launch a very successful School Resource Officer pilot program in each of our schools. In addition, all District employees now wear photo identification badges.

Our work to improve school safety is not done. I look forward to the addition of a full-time School Resource Officer during the 2015-2016 school year to serve as a resource for students and school employees alike. The addition of an SRO represents a significant step forward in a community-policing model that has been used across the Commonwealth to improve school safety, strengthen community partnerships, and deliver resources to the school community. In addition, we plan to provide additional school safety training to our students and staff.

Millbury Jr./Sr. High School will have the opportunity to partner with Mass Insight Education to greatly enhance and significantly expand Advanced Placement (AP) opportunities for Millbury students over the next three years. Since Mass Insight Education began partnering with Massachusetts schools in 2008, students across 60 participating high schools have seen greatly expanded access to AP math, science, and English courses, increased performance on AP exams (MIE schools significantly outpace both state and national averages), and increased college success (more students matriculating to and graduating from college).

This opportunity would not be possible without the generous support of our community sponsors. Thanks to the support of Millbury Federal Credit Union, Wheelabrator Millbury, Inc., AA Transportation, Millbury Savings Bank, and Fidelity Bank, our students will have greater access to a varied and rigorous AP curriculum and our teachers will receive world-class professional development and training.

The District has successfully established an enhanced articulation agreement with Quinsigamond Community College that allows Millbury High School Students to earn college credit for completing certain courses offered at MHS. These articulated courses, which will be taught by MHS teachers, allow our students to earn high school graduation credits and college credits simultaneously. The District plans to aggressively expand its offering of articulated courses in the coming years.

The District continued to engage in high-quality professional development to support teachers as they implement our new math series for grades K-8. In addition, teachers reviewed and revised curriculum documents to better align with vertically in the district, especially for Algebra I and Algebra II, to best support students’ instructional needs.

The District Literacy Team focused on reviewing writing programs for the year. Several team members piloted a variety of programs, attended informational workshops, and made site visits to observe programs in area schools. Based on this data, the team recommended the adoption of *Empowering Writers*. The team also spent a great deal of time designing professional

SUPERINTENDENT

development to support our Literacy Initiatives at our elementary schools through Daily 5, Telian, and CAFE.

The District partnered with Worcester Polytechnic Institute (WPI) throughout the school year, creating a strategic plan to adopt and implement the Next Generation Science Standards, which the Commonwealth plans to adopt during the 2015-2016 school year.

All students in grades 3-8 participated in a pilot of PARCC, the Commonwealth's new assessment (Partnership for Assessment of Readiness for College and Careers). Students in grades 3 through 6 were assessed using a paper-based version of PARCC while students in grades 7 and 8 took an electronic version. All students in grades 9, 10 and 11 took the paper-based MCAS test for English, mathematics, and science.

It is my pleasure to congratulate Jenny Quan, President of the Class of 2015, for receiving the 2015 Superintendent's Scholar Award. Jenny, who was ranked first in her class with a GPA of 4.3, was recognized in January for her scholarly achievements at the Worcester County Superintendents Association Scholars' Luncheon at the College of the Holy Cross. Congratulations!

The Raymond E. Shaw Elementary School, built in 1975, is showing its age. While the faculty and staff have gone above and beyond to maintain a safe and supportive learning environment that meets the needs of students, the building's physical condition has become a key challenge in delivering the curriculum, complying with the Americans with Disabilities Act, ensuring the utmost safety and security, maintaining technology, maintaining adequate HVAC function, and ensuring sufficient classroom space to meet enrollment and programmatic demands. The District is acutely aware of these challenges and will collaborate with the Massachusetts School Building Authority (MSBA) to conduct a feasibility study to determine the building's structural and operational condition in the coming year. Ultimately, a full renovation to the existing structure or a new elementary school building project is necessary.

Elmwood Street Elementary School

Elmwood Street School started the 2014-2015 school year with a new Principal, Mr. Andrew Hall, moving from the Junior/Senior High School after four years there and joining Assistant Principal Corey Burke, who entered his 2nd year in that position. Mr. Hall and Mr. Burke spent the year getting to know our wonderful students, staff, and families and spent a good deal of time visiting classrooms within the building. Throughout the year, staff reflected on their own instructional practices in light of student needs and assessment data. As a result, I am proud to announce several key changes that took place.

First, the Elmwood Street School staff engaged in consistent data meetings to review and understand student achievement data. These meetings directly led to strategies and interventions designed to meet students' needs. In addition, staff received training to better analyze and interpret data from key assessments, including Fountas and Pinnell, DRA, MAP, and DIBELS.

SUPERINTENDENT

Second, Elmwood teachers adopted *Empowering Writers*, a formal writing program that focuses on connecting text to writing genres, specifically narrative, expository, and opinion writing. To ensure the program's effectiveness, staff received ongoing training, which will continue into the 2015-2016 school year.

Third, as a result of collaborative conversations with staff, Elmwood implemented the Daily 5 framework as a means to consistently structure our Guided Reading times. The Daily 5 approach establishes five consistent activities for students, including "Read to Self," "Read to a Partner," "Work on Writing," "Word Work," and "Listen to Reading." Teachers began implement these strategies during the year and have worked to implement them fully for the 2015-2016 school year.

In order to better support our teachers as they implement these key changes, Elmwood will be welcoming Mrs. Lizz Trahan as our full-time instructional coach to its faculty in 2015-2016.

Last fall, Elmwood hosted the first of many "Walk and Talk" sessions, a program designed to allow school walkthroughs with parents and community members. Mr. Burke and Mr. Hall were able to demonstrate many of Elmwood's new initiatives and show staff and students in action. The "Walk and Talk" time was a powerful way for parents to see firsthand the great things at Elmwood and to ask the administration questions.

While much of our work this year focused on reading and literacy instruction, Elmwood also began to lay the groundwork for an upcoming STEAM (science, technology, engineering, arts and math) push for the 2016-2017 school year. Partnering with WPI, Mr. Hall and Mr. Mainhart worked with a team of staff from Millbury to lay the foundations to form a broader and comprehensive Millbury STEAM advisory board. Elmwood is excited about strengthening our STEAM curriculum and integrating it into classroom practice. Our Young Rembrandts and Club Invention after-school programs also operated throughout the year to provide additional STEAM opportunities for students and families.

Positive student behaviors and interactions with peers and staff remained a constant focus for the 2014-2015 school year. Committees of teachers worked on and began implementing two key initiatives to help proactively foster positive behaviors and choices. Our "Movement Committee" worked hard throughout the year to adopt and implement *S'Cool Moves*, a program that encourages the use of physical movement to enhance student engagement and focus.

Elmwood is also implementing a positive behavior curriculum modeled on Michelle Garcia Winner's *Social Thinking*, a more extensive and long-term project that began two years ago. *Social Thinking* allows students to develop social learning skills through collaborative and imaginative play. Our *Social Thinking* curriculum provides a structured scope and sequence to help guide adults in understanding and then teaching complex layered social concepts in a step-by-step manner. While some materials repeat across grade levels, activities are designed to be at grade level so that concepts are reviewed, but then built upon.

Elmwood takes very seriously the foundational work that occurs with our students in the Preschool through 3rd grade. The 2014-2015 school year was focused on reviewing and

SUPERINTENDENT

improving current systems. As we pored over the data, spoke with parents, visited classrooms and spoke with surrounding districts, it was clear that while some changes need to be made and consistent approaches needed to be clarified within the school, the school as a whole continues to provide a positive and supportive learning environment for all of our students and we will continue to look for ways to better support families and students.

Raymond E. Shaw School

The Shaw School began the 2014-2015 school year with both Mrs. Friedman and Mr. Tuccio starting their second years as the administrative team. As a leadership team, they focused on strengthening community relationships, improving the use of data to drive instruction, and implementing initiatives of the District.

Instructional teams throughout the building spent the year researching ways to improve instruction and will continue to do so each year. Staff continued curriculum mapping work and began the process of adopting *Empowering Writers*, a formal writing program that will be used from kindergarten through grade 8 once fully implemented.

The Shaw staff continues to use regular data meetings at benchmark periods to focus on improving student learning. At our data meetings, MCAS, MAP and DIBELS results are used to determine necessary interventions and needed support in order to promote student progress. Teachers also use this data to drive their common planning meetings and daily lesson preparations.

Shaw staff continued the tradition of sponsoring two fun afterschool events for students to raise money for our PBIS initiatives. Students stayed after school to partake in friendly basketball and volleyball games with their teachers and peers. For the second year in row three 6th graders and two 4th graders collaborated to raise funds for an Animal Shelter. These young ladies raffled off three themed baskets and raised over \$700. Shaw also celebrated its second annual food drive and was able to send three overflowing grocery carts to two local food pantries. Our young citizens are truly epitomizing what it means to be a Woolie.

Thanks to the hard work and very generous support of the Millbury Parents Club, each grade level at Shaw enjoyed wonderful field trips filled with experiences many of our students had never had before. Our 4th graders attended the YMCA, 5th grade visited Old Sturbridge Village, and 6th grade celebrated our 15th year of going to Camp Bournedale.

Shaw ended the school year on a strong note with excellent Step-Up days with Elmwood and the Junior High School. These eventful days are organized to help make the transitions to new schools less stressful for both students and families. We look forward to welcoming the 2015-2016 school year after the staff and students enjoy a wonderful summer break.

Millbury Memorial Junior/Senior High School

For the third consecutive year, educators used Common Planning Time (CPT) as part of their daily schedule to integrate new Common Core standards into the curriculum, develop curriculum

SUPERINTENDENT

maps and departmental rubrics, examine student work, and develop or review common assessments and team goals.

The Junior/Senior High School continues to administer district-wide MAP Assessments in grades 7-10 to track individual student progress in English/Language Arts and Mathematics and to forecast performance on the annual MCAS test. As part of a key initiative for the 2015-2016 school year, teachers will be engaging in regular data meetings to better analyze and understand assessment results in order to improve teaching and learning.

All sophomores are required to take the PSAT to gain test experience and identify skill gaps. Juniors also have the opportunity to take the PSAT at a minimal cost. Fifty-five Advanced Placement (AP) students sat for a total of 105 exams in the areas of English literature and composition, United States History, calculus AB and BC, biology, chemistry and physics. Of the 105 exams, nine students received a score of 5, 27 received a score of 4, and 38 received a score of 3.

Students were challenged not only in the classroom, but also in numerous after-school activities as well. In true Woolie form, they consistently rose to the challenge. Over 600 students participated in over 30 athletic opportunities. Millbury student-athletes made the MIAA Sportsmanship Honor Roll, set personal bests, set school records, won SWCL championships, qualified for District play, and participated in league, district and state track meets with the utmost respect for sportsmanship. Over 25 scholarships were presented to graduating seniors. The Millbury Athletic Booster Club Inc. was founded and is working to develop a capital improvement project proposal to address our athletic field space needs.

The National Honor Society continued its *You've Been Snowed* holiday fundraising campaign last December, collaborating with the Millbury Lions Club to deliver toys and gift cards to Goretti's for Millbury families in need. The National Honor Society also raises donations during Winter Carnival for Pennies for Patients, an organization focused on finding a cure for Leukemia. Funding is donated to the Federated Church for their food pantry to help families in Millbury. In addition, NHS students completed a wide variety of community service activities throughout the community.

An incredible number of opportunities exist for students in the performing arts. The Marching Band won a bronze medal at MICCA State Championships and actively participated in competitions and parades throughout the local community and state. The Concert Band/Chorus performed in winter and Spring Concerts and attended a clinic workshop at the Hartt School of Music. The Jazz Program performed winter and Spring Concerts and hosted a Jazz Night Concert at Sutton High School which Involved Millbury, Sutton, and Holy Name High Schools. Funding for the night was received from Cultural Council Grants of Millbury and Sutton and the Millbury Music Parents. Finally, the Jazz band hosted the Meadow-Larks professional jazz ensemble, featuring guest artist Damon Grant. The Percussion Ensemble performed Night of Percussion Concert funded by Millbury Cultural Council Grant and music parents.

Our High School Drama Club performed *According to Earnest* in the fall and *South Pacific* in the spring. The Winter Color Guard participated in NESBA Indoor Competitions. The Tri-M Music Honor Society received gift donations for the Winter Concert for the Lions Club

SUPERINTENDENT

Christmas present gift drive and raised funds for the Petals of Brittany Scholarship Fund. In support of Shawn Savoie, a longtime Millbury employee, the performing arts department raised almost \$6,000 for his family to support his fight against cancer.

Our Social Issues Group hosted two very successful Leadership Council meetings for the Central Massachusetts Region, allowing all Millbury GSA members to attend. Members also collaborated with teachers to lead discussions about LGBT terminology in health classes. Social Issues sponsored a vigil in honor of Leelah Alcorn, a transgender teen from Ohio who took her own life in December. Her death prompted vigils across the country and in the UK, and called attention to societal standards affecting transgender people. Social Issues members also attended the Youth Pride March in Boston.

The Environmental Council had a very busy year, conducting two community clean-ups in 2014-2015: a fall clean up along Howe Avenue and a spring clean-up in conjunction with the Conservation Commission, which focused on the Lake Singletary area. The Council made its annual donation to Heifer International, purchasing a llama and honeybees, and conducted two fundraisers to support its work. Members continued their weekly recycling program of white paper & water bottles, and also recycle ink cartridges and old cell phones. The Environmental Council continues to develop strong connections with the community. Members often meet with Town Energy Manager, Doreen Defazio, who not only attends several club meetings, but helped out our 2015 Envirothon Team and has solicited the Council's help to support the Energy Fair. Council members also enjoyed a guided tour of the solar farm on McGrath Road by Bruce Chapman, First Wind Regional Operations Manager. The Council hosted a presentation on Environmental canines in Fall 2014. The presenters (and dogs) were arranged through the town DPW director, Rob McNeil.

Our Student Council sponsored a Halloween Party for Aftercare students at Elmwood in October. This event was filled with Halloween-themed activities, crafts, and games. Later in the month, Student Council sponsored the school-wide Halloween Dance. In November, Student Council sponsored Spirit Week and raised funding to purchase toys for Toys for Tots. In February, Student Council organized and sponsored Winter Carnival and the Winter Carnival Dance. Ongoing throughout the year, Student Council members assist with greeting and directing voters on election days and also updates the School Committee about the various activities taking place throughout the school community each month.

One hundred and thirty seniors graduated from Millbury High School before a packed audience in Mechanics Hall on June 5, 2015. More than \$88,000 in scholarships were awarded during graduation week, which was sponsored by Dollars for Scholars. Of the graduates, 92% are continuing their education: 64% are attending a four-year college, 20% are attending a two-year college, and 8% are attending other schools. Six students will be serving our country in the armed forces and 4% will enter the workforce.

The events listed at each school are only a small portion of the many opportunities available to all students. Although academic achievement for every student is the school district's priority, all of these activities assist students in developing confidence, leadership, skills and a sense of self and team. These enhancements to the curricula are what motivate some students to remain

SUPERINTENDENT

in school. Millbury is fortunate to have teachers, coaches, administrators, volunteers, parents and community members that come together to support the community's most valuable assets – its children.

Blackstone Valley Vocational Regional School District
Fiscal Year 2015 Annual Report
July 1, 2014 – June 30, 2015

A Message from the Superintendent-Director

Thank you for your interest in the Annual Report of the Blackstone Valley Vocational Regional School District. As a resident of our 13-town District with a vested interest in the success of Blackstone Valley Regional Vocational Technical High School, please consider this document an account of how your investment was utilized and the return it yielded in Fiscal Year 2015 (FY15), July 1, 2014 - June 30, 2015.

FY15 will proudly be recalled as the year in which the 72nd Governor of the Commonwealth of Massachusetts shined a spotlight on Millbury's vocational technical education delivery system. Deservedly so, Governor Charlie Baker's "Spotlight on Excellence" inaugural event included a tour of Valley Tech's vocational technical programs, in which students acquire industry-relevant technical skills. Yet the inaugural event also highlighted Valley Tech's athletics, honors and Advanced Placement courses, and dozens of extracurricular clubs and activities, as these entities also play a critical role in providing our students the skills they need to succeed. As confirmed by the more than 500 business and industry representatives on Valley Tech's Program Advisory Committees, technical skills alone are no longer enough to secure professional success and career longevity. The employers of today and tomorrow require employees with mastery of both technical skills and the "soft" skills of communication, collaboration, problem-solving, creative thinking, and adaptability. Accordingly, innovative programming and extracurricular activities have joined expert technical training and academic rigor as cornerstones of the BVT experience.

In the year ahead, we will continue to adapt our methods, maximize the return on your investment, and empower our students to become contributing members of the 21st century high-skilled workforce. On behalf of our students, graduates, staff, and School Committee, I thank you for your continued support of Blackstone Valley Tech.

Dr. Michael F. Fitzpatrick
Superintendent-Director

Another Stellar Year of Vocational & Academic Achievements

During the 2014-2015 school year, 355 AP course exams were given to 231 students in English Language & Composition, English Literature & Composition, U.S. History, Calculus AB, Biology, Physics 1, and Spanish Language & Culture. On the Massachusetts Comprehensive Assessment System (MCAS) Spring 2014 English Language Arts test, 98% of students scored Advanced or Proficient (A/P), compared to the statewide average of 90%. In Math, 93% of students scored A/P, compared to the statewide average of 79%. On the Science and Technology/Engineering exam, 90% of students scored A/P, compared to 71% statewide. Seventy-six freshmen took the High School Science MCAS and 100% scored in the A/P categories. The Class of 2015 earned nearly 200 scholarships and awards with a collective renewable value of \$1.2 million.

Return on Investment

The District's operating budget for FY15 was developed to provide maximum instructional resources that enhance and strengthen student learning. The total operating budget of \$20,970,532 represented a modest 2.50% increase and was funded primarily by State Aid and Member Assessments. Valley Tech continually seeks partnerships with business and industry, non-traditional revenue sources, and the use of unreserved fund balance to mitigate increases to member towns. Other efforts include facility maintenance using certified staff and providing special project services to our municipal partners and the public, which resulted in total savings to taxpayers of \$483,844 in FY15.
