#### **Meeting Minutes;**

The minutes for the September 12, 2019 meeting were read and accepted as written. Motion by Tom to accept and second by Justin. All members voted unanimously.

#### **CVS Accessibility Complaint:**

Mike received a AAB Board notice of hearing. CVS is due to meet with the AAB in Boston in January.

Paul stopped into the store recently and there was still no progress.

Debbi and Jim also said that when they were in the store, that aisle was cluttered with Christmas wrapping paper.

#### **Main and Elm St. Project:**

Mike had a communication from Laurie Connors telling him that there was only one bid that was way over budget. This bid was obviously rejected.

The plan is to go out to bid again in January 2020. There was some small design modifications to reduce the price. The project will then be separated into two separate bids. Still looking for funding for new traffic lights. This may happen with the help of our State Senator and State Representative.

Mike asked us if we would give him permission to write a support letter for some accessibility issues, like a Housing Rehab Program, Design of Public Works Improvements and also Construction of Improvements in the Millbury COA.

Motion was made by Tom and second by Debbi for Mike to write letters of support for accessibility projects.

All voted unanimously.

Debbi asked Paul if he had any updates to inform us about.

Mike wished all members and everyone viewing the program Happy Holidays.

Motion was made to adjourn the meeting by Tom and second by Jim.

Meeting was adjourned.
