Approved May Minutes

Got reimbursement forms from John Root. Signed all forms and will be dropped off to town hall this week.

Ann went over scholarship award for the high school student.

Picked several days to contact Jayne for a possible meeting to discuss by laws and council questions.

Museum passes - Ann submitted the forms, we need to contact the financial department to confirm that everything was paid.

Check Cultural Council mailbox at least once a month. July 8th and August 12th. Email members when papers need to be signed and submitted them to town hall when set. This way no grants or scholarships are waiting.
