ATTENTION Businesses, Community Groups & Families:

The Millbury Center Beautification Initiative continues its effort to enrich Millbury Center, also known as Armory Village, through a banner program that adds a splash of color and cheer. This coming season, the Initiative introduces our newest banner highlighting Millbury's industrial past. The banners will put your business, organization or family name in front thousands of travelers from March through November.

These durable, vinyl banners will be installed along Main, South Main, Elm Street and Canal Street in 2024 and 2025. The one-time purchase price of a banner is \$325, which includes a maintenance, installation, removing and storing your banner.

This is a unique and appealing opportunity to take an active role in improving the appearance of Millbury Center while demonstrating to visitors and residents that we care about our community. Proceeds from the program contribute to the ongoing beautification of Millbury Center.

We hope that your business, organization or family will take part in this effort!

Participation is limited!

Participation in our 5th banner program is limited to no more than 40 businesses, organizations or families. Those wishing to participate should return this form to the Planning Department and check payable to "Town of Millbury", memo "Beautify Millbury", by February 9, 2024. Questions about the Program may be directed to Conor McCormack, Director of Planning & Development at cmccormack@millburyma.gov.

Thanks in advance for your participation in this worthwhile program!
