

## Armory Village Revitalization Project Public Information Session via Zoom Video Conferencing 7:00 PM | Wednesday, June 24, 2020

Zoom Meeting ID: 972 8668 8708 or  
Login Link: <https://zoom.us/j/97286688708>

### CALLING ALL RESIDENTS, PROPERTY OWNERS & BUSINESSES!

Now that construction has been underway for a couple of months and business activity is slowly returning to normal, the time seems ripe for a Public Information Session to update you on downtown construction activities, scheduling, and answer any questions you might have about the Armory Village Revitalization Project.

As you likely know, this project will yield significant improvements to the intersection of Main, South Main and Elm Streets, the Commons, the South Main Street parking lot, and beyond. Specifically, the project features the following improvements:

- Upgrade of drainage, sewer, water, gas, traffic signal, and street lighting infrastructure;
- Reconstruction of the South Main Street parking lot;
- Resurfacing of roadways within the project scope;
- Construction of ADA-compliant sidewalks, ramps & crosswalks;
- Expansion of sidewalks to accommodate street trees & outdoor seating;
- Redesign of the Commons;
- Installation of decorative pavers, street trees, landscaped areas, benches, & bike racks.

The primary goal of this project is to create welcoming public spaces that will attract business, residents, investment and patrons. **We want people to not only come to Millbury Center, but STAY in Millbury Center!** Please join us on June 24<sup>th</sup> to learn more.

*Hosted by the Millbury Department of Planning and Development*
