  - Alecia Miller was appointed to the board to fill David Delaney seat.
  - Leonard reminded us that Resource Advisory board will need members now with Alecia Miller moving into a full member.
  - Truck Festival update
  - Clock update – Leonard Mort has been working with the construction company to get the base poured and installation completed. DPW members have been immensely helpful with the process and are ready to assist with installation/transportation of the clock.
  - Interpretive display – graphics and other layout requirements developing – need to coordinate with Laurie Connors so our display is not duplicative of the other sign planned.
  - Leonard Mort reminded us to work on a dedication of the clock as soon as it is completed – we will work with both construction company and the town to organize.
