Item No. 3: Pat said that Stutman Contracting said it would cost between \$35-40K to install vinyl siding on the existing fieldhouse. It was decided to continue with the original specifications and ask Green Acres to repoint and paint the fieldhouse as planned.

Item No. 1: Josh said the Gator Type vehicle costs \$18,767 for the Gator plus snow plow attachment or about \$15,000 for the Gator only. This could be purchased off the state bid list from 146 Supply or United Ag.

Softball Leftfield Netting: Maggie of Gale getting pricing information. 6' vs. 10' high. Josh emphasized the importance of this installation. Under current condition he is worried that balls will continually go into the woods with the current lower fencing. He said this is the time to complete this work.
