

Millbury Residents ONLY (*proof of residency may be required*)

Place needles, syringes, and lancets in a puncture-proof hard-plastic or metal container with a screw-on or tightly secured lid.

You may purchase containers specifically designed for the disposal of home sharps or utilize other containers which meet the specifications of a safe sharps disposal container which may be found in your home (please see examples below).

Examples:

Sharps container

Laundry detergent bottle with a screw cap

Coffee can (with lid duct taped)

Milk jug with screw cap

When the container is full and tightly sealed with heavy-duty tape, return to:

Millbury Health Department located inside the Town Hall at 127 Elm Street, Millbury, MA 01527.
