Dear Board Members,

On behalf of our client Joseph B. Hall, Alpha Omega Engineering Inc., would like to request the following waivers from the Town of Millbury Municipal Code 13.15.070

1. Section 13.15.070.a.8; the site's existing and proposed topography with contours at two-foot intervals instead of one-foot intervals. The site is steep.

Please feel free to contact our office if you have any question.
