Subject: Rezoning To Suburban II A Portion Of Residential I North Of Rice Road

Good Afternoon Mr. McCormack,

I am writing to let you know of my support, in the Rezoning To Suburban II A Portion Of Residential I North Of Rice Road Citizen's Petition.

I heard all about this and had time to discuss and ask questions about it. Unfortunately I was not part of the group at the time this was being signed but I definitely would have if given the chance.

My household has 6 adults and 1 child aged 11 and we all whole-heartedly want this to pass.

Please help us save the integrity of our neighborhood.

Thank you for your time. We appreciate you!

Sincerely,

Denise Rudolph
