CALLING ALL RESIDENTS, PROPERTY OWNERS & BUSINESSES!

Please join us for a public information session on the upcoming Armory Village Revitalization Project – Phase II!

Building on the Phase I of the revitalization project, completed last year, Phase II will extend the improvements down Elm Street and in the Municipal Parking Lot to create welcoming public spaces to attract business, residents, investment, and patrons. **We want people to not only come to Millbury Center, but STAY in Millbury Center!**

As the summer winds down, construction of streetscape improvements within Millbury Center has begun. Improvements will include continuing the Phase I streetscape design along Elm Street from Harris Place to River Street, a reconfigured and improved municipal parking lot, ADA-compliant sidewalks, street trees and landscaping, pedestrian plazas, and green infrastructure improvements.

If you want to learn more about the exciting improvements we have in store for Millbury Center, construction scheduling, or simply have questions about the Armory Village Revitalization Project, please join us via Zoom Video Conferencing at **6:00pm on Monday, August 29, 2022 for a Public Information Session.** All are welcome!
