

REMINDER

Please be advised that recently the Transfer Station has seen an increased number of plastic bags being thrown in the Recyclable Material containers.

As listed on the back page of the Rules and Regulations distributed by the Town Clerk's office at the time of issuance of a Transfer Station sticker- **No Plastic Bags** are to be thrown in the recyclable containers. Please empty all bags into the containers and throw the bag into the trash can provided for disposal.

Also, please do not throw **household trash** or **Styrofoam** into the recyclable material containers.
